56	Many different classes of people. There are those with the money and connections that continue to enrich themselves under the guise of furthering the fortunes of the city. There is one which truly believes that Parsons is great and continues to be used by those in the previously mentioned class. Then there is the class which is low to lower income. They continue to leech off the system and the government. Those in the first class provide ways for this class to do this by using government funds to build housing for them. Lastly, there is the criminal element, which the law enforcement group is afraid to handle. Look around on weekend nites and see the out of county vehicles, caddies, etc that are here. Think they are visiting relatives? dont think so. That is what I think. Major changes are on the horizon for Parsons and I think they will be for the worse.	6/29/2014 9:18 PM

90	A lame retirement town that has never supported any business that doesn't fall into the narrow small town mold. As a musician growing up in Parsons I had to drive far away to buy musical equipment and play/attend concerts. So I moved...far away. The town has always been boring and people tend to rely on "habits" to enjoy the weekend rather than pursuing dreams, I mean who can blame them, there isn't anything to do besides golf. It seems that someday the town will shrink to nothing with the highway now dodging it, and I hope my family moves so I can be done visiting there, if I was to serve a sentence of hell on earth it would be moving back to Parsons.	6/28/2014 2:54 PM
91	Nothing for kids to do	6/28/2014 2:35 PM
92	hometown	6/28/2014 1:07 PM
93	The much less desirable hometown of my youth. I was born here and remember the day urban renewal killed this town, I was a High school student working in a down town retail store. People drove up and down Main St. the afternoon and evening before it would be closed forever. In its place would be an ill-conceived mall that would stand with even more misguided alterations until thankfully a tornado destroyed it and we finally came back to our senses and reopened Main. Sadly it was too late.	6/27/2014 11:41 PM
94	Podunk, little backwards town; educationally challenged; lacking imagination.	6/27/2014 10:09 PM

129	Nice place to live.	6/26/2014 5:39 PM
130	A town that's not the same place we moved to 40 years ago. We have fewer tax payers, consequently those of us who pay taxes are over-burdened. A town that cannot attract new business and industry because of our high taxes. We have attracted too many low income folks who do not take care of their properties, destroying many neighborhoods.	6/26/2014 5:09 PM

What do you think about Parsons?

131	Hometown pride, but also economic stagnation. I'm excited at the possibility of what Parsons can become but I feel the powers that be sabotage and discourage economic opportunities to the detriment of our community's citizens and economy.	6/26/2014 4:56 PM

Wonderful place to grow up.	6/25/2014 4:37 PM

398	I think that we have a lot of new small businesses that I know nothing about. I always find it interesting when I happen to go in a store I haven't been in and find things I didn't even know we had in Parsons. These small businesses can't sometimes afford big advertising prices in the Sun. Maybe the Parsons Sun could feature 1 or 2 small businesses each weekend so we would know where to shop.A nice little article free of charge about what the business provides might get people shopping in Parsons and might increase revenues at the Sun. If the shopkeeper is making more money they are more likely to advertise. I also think Parsons just sucks for single professional people. Not sure you can change that. I do think the city is trying to find more for the youth to do. I think it was a great thing the State ? did letting low income kids enroll in one activity per year for free. I wish the City/Police Dept/Larger Business could also help with this by providing 1 more activity for these kids or providing 1 activity for low income kids who didn't qualify for the State funded program.	6/20/2014 10:36 PM

447	My HOME, with bad roads, poor water quality, weeds growing tall on all sidewalks along the main streets through town, have to leave town to go to a good quality restaurant, abundance of drug housing/slumlords. Basically, I guess I'm trying to say when I think of parsons, I think of the city being run by people, not all people, but people running this city with no PRIDE. You don't show it in any part of the city, from burnt out street lights to over grown weeds to roads that aren't safe to drive on (north 16th.) Take pride in your city and fix the things you can and just keep striving to make progress. Yes, you have to show progress by fixing something.	6/20/2014 4:35 AM

613	A dying city, that was once full of hope, and opportunity. A city that has become a town, impoverished. Lacking true cultural diversity, and ever more a "police state". I once lived in a "real" city, and had always dreamt of coming "home" to start, and raise a family. After being back here for 11 years, the only thing I don't regret is the family that I have acquired. Parsons is a narrow-minded community, that still has no idea how a true "metropolis", and it's constituents live, grow, and reap the benefits of an open mind. On the bright side; had I not moved back to Parsons, I would have never known what the word struggle meant..	6/19/2014 4:20 PM
614	I think of a nice little town where I was born and raised, but also a town that needs new leadership that believes in progress and that will listen to its constituents. There are many improvements that need to be made to ensure that Parsons does not remain a dying community.	6/19/2014 4:19 PM

1	Youth involvement and preteen activities	6/30/2014 10:23 PM
2	Our school system needs some major work. Students needs more opportunities to develop. They also need more exposure to opportunities to jobs and career options that are in their backyard of Parsons, KS.	6/30/2014 10:14 PM
3	High taxes horrible streets not enough city workers	6/30/2014 9:14 PM
4	The kids park tables need to be washed	6/30/2014 6:55 PM
5	Late mid century urban renewal, like many places, left ugly gaps in the city centre. There is a lack of variety of economic possibilities which will keep younger people from staying or moving to parsons.	6/30/2014 4:59 PM
6	City officials not letting exciting new ideas in. Government allowing DHS KVC do what they please and not held accountable for horrible long term effects of their judgment that is held higher then a court	6/30/2014 4:17 PM
7	Business opportunity	6/30/2014 4:06 PM
8	Crime and drugs are to high. The city also does not seem to want to recruit new businesses that could support services, supplies, or support to existing industries such as sheet metal suppliers, distributors that could utilize rail and highways into town, or that support industries in the surrounding communities. The city seems close minded about what to recruit for Parsons jobs.	6/30/2014 3:55 PM
9	Our city government, school system, inadequate lodging for renters, run down houses, lack of choice in restaurants, no doms for college students	6/30/2014 3:40 PM
10	Labette Health has some issues that bother me. I am ashamed the way some of the neighborhoods look. Many, many of the rental houses are run down.	6/30/2014 3:38 PM
11	I think a lot of the businesses and resturants close too early. I wish we could do more around the holidays, especially Christmas, to get everyone together and in the spirit. I like the parade but would like to see a Santa's work shop or a drive through light display. I would also LOVE to see the Arts and Crafts Fair return. That is one of the best childhood memories I have.	6/30/2014 3:35 PM
12	Businesses or entertainment	6/30/2014 3:22 PM
13	Not very many options for shopping or entertainment. Lack of city commissioners representing the people.	6/30/2014 3:11 PM
14	Nasty people , gangs	6/30/2014 2:36 PM
15	A lot of people drink and drive and get into wrecks and die. Almost all the teenagers or young adults party and do a lot of drugs.	6/30/2014 2:23 PM
16	HORRIBLE UPKEEP AND APPEARANCE OF MANY SMALL OLDER HOUSES. LACK OF JOB MARKET TO KEEP OUR BRIGHT YOUNG PEOPLE HERE.	6/30/2014 2:02 PM

21	city commission	6/30/2014 1:37 PM
22	Shitty court system, the police officers are assholes, and meth heads roam the streets with the cops doing nothing about it. NO JOBS, at least none that pay decent.	6/30/2014 1:33 PM

24	The lack of respect of so many. For others and themselves Trashy homes and yards.	6/30/2014 12:34 PM
25	Housing, needed badly for economic growth	6/30/2014 12:34 PM
26	Housing cost is high for the area, very little shopping availability, less activities available close to Parsons. Lots of boarded up homes or unmaintained homes in the town	6/30/2014 11:40 AM
27	City council that doesn't try to recruit new restaurants and businesses	6/30/2014 11:33 AM
28	Too many run down properties, high taxes which may be why so many homeowners are letting their properties deteriorate as well as discouraging economic development prospects, weak on retail shopping and limited grocery shopping	6/30/2014 11:20 AM
29	Not diverse enough. Very small	6/30/2014 11:15 AM

31	Things for kids to do	6/30/2014 10:52 AM
32	Medical service is Parsons is poor. Labette County Medical Center fails to maintain long term contracts with physicians. Too many doctors leave the community due to the Hospital. Lack of activities for children. Too many people with drug problems. Too many sex offenders located in the community. Too many vacant houses and empty overgrown lots. Too much drug activity. High use of Methamphetamine.	6/30/2014 10:47 AM
33	Small, not enough opportunity	6/30/2014 10:45 AM
34	There's nothing to really do. I mean, there are events every now and then, but on any given night or weekend, there's nothing really fun to go do. I mean, we can only go to the arcade so many times before it gets boring.	6/30/2014 10:44 AM

39	Lack of industry and pride.	6/30/2014 10:36 AM
40	Everything as this is a dying community, only good for the stop and grab and gas for people getting from one place to another.	6/30/2014 10:32 AM
41	Advertising low income housing in Parsons in other cities. They take what they want. For example a bridge that was on my families land.	6/30/2014 10:24 AM
42	Side roads/15 of main all the way to 15 of southern Roads going to walmart	6/30/2014 10:00 AM

46	Weak accountability to those who are in psuedo power, those who are enriching themselves on the backs of evryone else. Weak, weak weak law enforcement, they are scared to confront the problems.	6/29/2014 9:20 PM
47	Funds distributed to things that aren't necessary	6/29/2014 6:46 PM

53	Shopping, high prices on everything. We save our lists and shop in Joplin or on the Internet.	6/29/2014 2:32 PM

What do you think about Parsons?

54	Not enough stuff for teens and children to do.	6/29/2014 2:17 PM
55	To high of percentage of low income housing, drugs, dirty neighborhoods.	6/29/2014 2:13 PM
56	Idk. There's alot of theft and drug use in this town. But isn't that everywhere?	6/29/2014 2:10 PM
57	tooooo high taxes, not enough affordable living for middle class incomes.(to many low income housing projects) no where to eat, gas prices are to high, to many high income people have to much influence.streets are crappy,	6/29/2014 1:41 PM
58	Lack of restaurants, becoming very dangerous.	6/29/2014 1:37 PM
59	Streets, druggies, people living off our tax dollars (not just here, of course), run down houses, having to pay more on taxes so the city of parsons can install ridiculous things like a walking trail and new signs everywhere.	6/29/2014 12:55 PM
60	They aren't open minded about new businesses than will benefit the younger generation.	6/29/2014 12:44 PM

62	To many to name	6/29/2014 12:16 PM
63	Housing Streets	6/29/2014 12:06 PM
64	Water bill is outrageous with all the fees especially with the quality of water. City employees are rude and could do more when it comes to tree limbs and such. Not enough shopping (variety) food places, need a nice restaurant like serves Italian and steak. All the houses that need torn down, the houses that people let go to pot. Why can a city employee have a house that is a dump with trees and grass grown all around it and nothing gets done. But, a disabled woman has a few weeds by gas meter and gets a nasty letter from the city?	6/29/2014 12:05 PM
65	Police force is very corrupt. They profile, stereotype people, beat people, misuse their power. No jobs, seems that city government turns away good companies, housing,	6/29/2014 11:55 AM
66	Lack of progressive thinking of our leadership. To much of the good ole boys club. Certain well off people getting breaks or being taken care of by the city officials. Poor workforce due to drugs and lack of willingness to work hard.	6/29/2014 11:48 AM
67	No where to shop! No good paying jobs.	6/29/2014 11:38 AM
68	High taxes which keep people at a poor level	6/29/2014 11:36 AM
69	Police, gossip, no jobs	6/29/2014 11:31 AM
70	WELFARE! We all get robbed, because there are not enough tax payers, and the welfare population is extremely high per capita. "Most" of local government. Our old judge who needs to retire and get his old sleepy butt out of the courtrooms because he acts like he has Alzheimer's and doesn't remember what's already been said in a case before today and sleeps half the time in front of everyone!!!! (just like the other old judge who retired before him) Pathetic and shameful! And our county attorney is not much better. Roads are kept horribly. Methamphetamine -period! Job opportunities. Things for kids to do. Recreation Center should be run by the city. Burlington, Kansas does this (or at least they used to) and it was free to the public.	6/29/2014 11:20 AM
71	Worn streets by WalMart, lack of restaurants	6/28/2014 9:29 PM
72	All else limited in job opportunities Little growth. No basic social lifestyle.	6/28/2014 9:17 PM
73	Lack of jobs; lack of training for available jobs	6/28/2014 8:57 PM
74	Read first comment.	6/28/2014 2:57 PM
75	Nothing for kids.	6/28/2014 2:36 PM
76	retail stores--weneed to go out of town for many things. now people are so used to going out of town they don't think of looking here first.	6/28/2014 1:13 PM
77	Allowing drug dealers to continue, putting everyone on community service and probation instead of truly paying for the wrong they have committed, too few manufacturing plants	6/28/2014 9:49 AM
78	Lack of community involvement by the vast majority. There are a very few citizens that are willing to involve themselves in creating opportunities for fun and enrichment within the community. The few that do year after year grow weary and quit after time. I am soon to be one of them. Our Police dept. is about two sandwiches shy of a picnic.	6/27/2014 11:42 PM

What do you think about Parsons?

79	Wal-Mart being the main big box store here. Not enough people to do volunteer work or get involved in the community. Too many undereducated, overweight, smoking people and not enough outreach to help them. Not enough progressive-thinking people to propel this community into the future.	6/27/2014 10:31 PM

87	not enough clothing stores, no good place to eat a steak	6/27/2014 11:54 AM
88	Resistance to change, needed services moved away from downtown where citizens could walk to them from high-rise living and mid-point of town. Medical office buildings all moved away from downtown so not easy to get to. Transportation service is VERY limited and restrictive where walking is readily available.	6/27/2014 10:57 AM
89	Lack of activities for teens; higher taxes	6/27/2014 10:52 AM
90	restaurants, "entertainment" (especially for kids)	6/27/2014 9:43 AM
91	We have little eating place and old eating places boring at that. We need more businesses for job advancement, better exercise facilities.	6/27/2014 9:31 AM
92	If your on welfare. Move to Parsons.	6/27/2014 9:04 AM
93	Pride, housing, & volunteerism	6/27/2014 4:41 AM
94	Racism	6/27/2014 12:25 AM
95	Lack of good paying jobs, goods jobs would bring more to the city. LCC taxes. They need to concentrate more on education than sports.	6/26/2014 11:06 PM
96	No support systems	6/26/2014 10:42 PM
97	More employment opportunities are needed. Increase community involvement. Work on a positive community attitude!	6/26/2014 10:10 PM
98	Not recognizing the assets of some community members, resulting in their leaving.	6/26/2014 8:22 PM
99	Lack of jobs that pay above minimum wages with benefits; Racial Prejudice; poor housing/too high rent for quality of home/apt.	6/26/2014 8:00 PM

101	High taxes not well spent. Poor condition of streets.	6/26/2014 5:54 PM
102	Run down neighborhoods. Decreased job opportunities. Poor condition of some streets	6/26/2014 5:13 PM

109	poor government, high taxes, no opportunity	6/26/2014 2:38 PM

What do you think about Parsons?

110	Poor city management, few GOOD restaurants, lack of industry, high property taxes, abundance of run down eyesore properties,	6/26/2014 2:28 PM
111	Finding ways to fund improvements to the city, such as the rainwater drainage and sewer issues. The city has dug a large hole in letting these issues get worse and worse. It does sting to find added "fees" on the city's water bill to help fund the improvements and read how much it will cost because of the dilapidated state.	6/26/2014 1:54 PM
112	Lack of middle management type of jobs Lack of jobs leading to people taking poorer care of their property	6/26/2014 1:47 PM
113	parts of residential areas are rundown	6/26/2014 1:07 PM
114	The biggest weakness we have is the City Commission. I know in years past people have not always agreed with the commissioners. I have lived in this town for over 30 years and this is by far THE WORSE commission we have ever had. Actually, there are only two commissioners that make it bad. These two only want to take care of themselves or their friends. They do not think about the community at all. It is time for new commissioners.	6/26/2014 12:48 PM
115	High taxes, infrastructure in need of repair, some of the workforce is not dedicated to being present. Attendance issues. Not highly educated workforce. Lack of expansion in housing market for mid to upper income recruits to the area.	6/26/2014 12:30 PM
116	school system police department high taxes	6/26/2014 11:49 AM
117	broke down roads- cant see the painted lines pot holes, so on	6/26/2014 11:34 AM
118	Poor streets. Lack of affordable decent housing. No jobs for the average young person. To survive, the best of our young people have to leave the area. Lack of available training for the available jobs in any tech field. Minimal entertainment facilities for children.	6/26/2014 11:07 AM
119	negative attitudes, housing, distance from major airport, highways	6/26/2014 11:02 AM
120	Limited opportunity for young adults to work and live here.	6/26/2014 10:52 AM
121	High taxes and no housing for the retired, and too much low cost housing. Un-employed work force that does not want to get off government assistance	6/26/2014 10:42 AM
122	City management and city commission.	6/26/2014 10:41 AM
123	It trys to be bigger than it is. Commissioners are out of touch with the citizens.	6/26/2014 10:35 AM
124	small town politics	6/26/2014 10:31 AM
125	Local government is narrow minded. Water/Sanitation dept has been a fiasco. Too many egos think they know best.	6/26/2014 10:30 AM
126	Need to control and get rid of the drug, (possibly cartel) influence in our community and surrounding communities!! Parsons needs more physicians who will STAY HERE!!!	6/26/2014 10:04 AM
127	Needs more Businesses, need some chain restaurants. Homes need TLC.	6/26/2014 9:41 AM
128	District attorney's focus. She makes it hard on law enforcement who cannot speak against her. She is soft on crimes of burglary, drugs, etc. I realize this is an elected position and she is a good politician.	6/26/2014 9:13 AM
129	Run down empty houses everywhere	6/26/2014 9:02 AM
130	The crime and the drug use	6/26/2014 8:53 AM
131	Nothing to do for young adults. Have to go out of town for mens clothes shopping. No new bussiness. What happened with the Great Plains drawing in bussiness!!	6/26/2014 8:44 AM
132	Everything	6/26/2014 8:36 AM
133	There is a tremendous lack of things for children of all ages to do in this town. Buy local used to mean something and now it is a thing of the past. I think this town is outdated and unable to compete with the modern world.	6/26/2014 8:23 AM
134	not enough places to shop. Local people have to drive to other towns to get clothes, etc. Parsons walmart does not have a good variety of items to choose from. Lack of eating establishments that are not ethnic foods.	6/26/2014 8:23 AM

What do you think about Parsons?

135	Communication of upcoming events is poor. Street conditions are bad. Water quality is inconsistent.	6/26/2014 8:07 AM
136	need more restaurants, Kitchen pass is way too expensive, way too slow and the food is not that good. been in there several times and I have decided not to go back. CJ's is good, Shredders is good, but we really need some more eating establishments	6/26/2014 7:59 AM
137	Not enough support for new business. In some cases there is a total lack of respect for people and property.	6/26/2014 7:51 AM
138	High utility bills, and poor rental properties that are not kept up. I own my home, but know people who are currently looking for rentals to move in town. People believe that it is a conflict of interest for the city inspector to also be a landlord. He doesnt even keep his rental properties up and isnt made to, because he works for the city.	6/26/2014 7:51 AM
139	High taxes	6/26/2014 7:48 AM
140	Not accepting to change, declining businesses/restaurants if kids under grade 7 want to be involved with sports they must go through the rec center, which is extremely overpriced, also usually only have 2-3 teams. You end up play the same 2 teams each week. I'm guessing becUse it's so expensive and people who have multiple kids can't afford it. Instead if making sure they are reasonable and affordable it seems they hope kids won't sign up. Sports has always been a huge part of the community in parsons which starts with the rec center who doesn't seem to interested in making them a priority. It makes me sad for my kids, nieces and nephews.	6/26/2014 7:43 AM
141	Too many low paying jobs, people abusing the pay scale at their jobs in supervisory positions, i.e., having a job title changed to get a higher salary. Too many people on welfair who abuse their prescription drugs, claiming they have a disability. Too many old abandoned house that need demolished. No sidewalk out to Wal-Mart along the highway, making it dangerous for those who have to walk. High water bills, excess city spending money on non-essentials. No liquor sales on Sunday, sending Parsons' residents out of county to buy liquor on Sundays. Slow response time with city police when needed due to the fact that the officers can't find your address because they don't know the town very well.	6/26/2014 7:43 AM
142	Drugs, crime, appearance of the city-streets etc	6/26/2014 7:18 AM
143	Very limited major chains for shopping and dining. No entertainment. Need a water park so we don't have to go to Pittsburgh or Independence. No decent rental properties.	6/26/2014 6:30 AM
144	Not enough younger 30-40 yr old men taking the lead from our elders	6/26/2014 6:28 AM
145	Not enough jobs	6/26/2014 5:21 AM
146	Not enough ppl keeping the whole town clean	6/26/2014 3:00 AM
147	??... I never hear about any activities that are going on until the day of or after. Also keep hearing about a lot of violence and drugs happing around town. No doms for students at the college.	6/26/2014 12:55 AM
148	Not enough well paying jobs to keep people from moving away.	6/26/2014 12:12 AM
149	Not enough leisure-like activities for community members to do, not enough 24 hr food options for individuals who work night shift, not enough good quality food options, not enough good-quality housing, not enough jobs.	6/25/2014 11:33 PM
150	High tax base. High unemployment. Low paying jobs.	6/25/2014 11:00 PM
151	Residents aren't heard, the city fathers make decisions for the them. The college is geared for out of town students and do not produce graduates that remain in the community. No choice in shopping to keep our money here. And the jobs in the factory's will not give the worker the pay they need to survive in the community due to the high taxes.	6/25/2014 10:50 PM
152	Poor housing run down houses drug problems same people arrested f this	6/25/2014 10:13 PM
153	Lack of support when people are trying to improve our community. Despite the Curious Minds Discovery Zone, Parsons Movie Theatre, Bowling Alley Parsons Public Pool (seasonal), and the skating rink (which is in progress but not open to the public).. there's nothing for children ages 0-18 to do. There's not even really a clean fun bar besides Kitchen Pass to go to for adults which, is occasionally a decent time. Residents are forced to leave their community to find quality entertainment. The southwest residential side of town needs lots of abandoned homes tom down; they are an embarrassment to the community.	6/25/2014 9:53 PM

What do you think about Parsons?

154	just about everything after 8..sucks...so we have nothing to do but get in trouble trying to find to do..yes legal leisures close at 8pm	6/25/2014 9:45 PM
155	Nothing for our youth to do	6/25/2014 9:36 PM
156	Not enough retail shopping. Not enough nice places to eat. Fast food choices are terrible. Too much politics when it comes to improvements for the entire now..decisions should be made by the people in the town and not by a few select people or families. Who gets opportunities is STILL biased as to who your family is. This is flat out wrong!!! Including athletics in the schools. Too much crime for such a small town. Roads in the winter are not cleared at all like they used to be. There has to be something done with all the crime.	6/25/2014 9:24 PM
157	This is a meth'd out town full of scummy people. Nobody pays the price for what they do.	6/25/2014 8:53 PM
158	Hypocritical police force. The police speed down the road with no lights. And they stand around the gas stations for hours wasting taxpayer money.	6/25/2014 8:26 PM
159	City Management to Workers	6/25/2014 8:21 PM

162	Not diverse	6/25/2014 7:59 PM
163	Nothing to do. Limited community events. Lack of officials and city employees working together to Parsons a great city to visit.	6/25/2014 7:58 PM
164	Those who complain about the community, yet don't do anything to help.	6/25/2014 7:53 PM
165	No jobs	6/25/2014 7:53 PM
166	Few social opportunities for singles Lots of abandoned homes Too many low wage jobs Little entertainment for teens No restaurants open on Sundays Not a lot of quality rental homes	6/25/2014 7:51 PM

172	No restaurants. Police are over active.	6/25/2014 6:54 PM
173	Drugs, police, government, the attitude of the entire town! 3rd highest taxed in the state of Kansas, government uses it to put their friends to work and puts it in their own pocket!	6/25/2014 6:52 PM
174	Everyone knows your name	6/25/2014 6:51 PM

178	Economy; prop taxes are FAR too high. Police force needs work; COP not a good leader.	6/25/2014 6:37 PM
179	The low income house and the special needs community needs to leave	6/25/2014 6:36 PM
180	Complacency. People unwilling to step up, volunteer and improve their community.	6/25/2014 6:34 PM
181	The crime, and the city administration just doing what they want and not always having the best interest of the citizens in mind.	6/25/2014 6:31 PM
182	Not enough business	6/25/2014 6:24 PM

187	Repeated drug offenders not receiving appropriate punishment to deter others; Abandoned homes that need to be demolished	6/25/2014 6:12 PM
188	Reliance on Walmart, no health food store, no vendors of grass fed beef or free range organic eggs	6/25/2014 6:08 PM
189	Way too many to list without sounding extremely negative. Poor street pavement, biased community improvement plans, the city recreation center continuously incorporates and creates additional fees for kids sporting activities that are below sub par. Parents pay to watch attend events even though they paid the entry fee for the child to play, not to mention the cost increases each year. Funded through taxation only to be charged to attend your tax deducted facility. Go figure that one out for me. I could go on and on and on and on,,,	6/25/2014 6:01 PM

Shopping Opportunities, good restaurants, lack of public transportatio[n that meets needs. They try, Lack of community spirit between races, churches	6/25/2014 5:29 PM
201	Pretty high \$ place to live. Always raising something to pay for something on the water treatment plant.Water, sewer, sanitation high enough and then they added a \$10 fee for something. I think they are thinking of raising sewer rates. please stop. Fixed incomes have enough trouble.	6/25/2014 5:28 PM
202	Everything	6/25/2014 5:28 PM

207	Schools are too sports centered: do just a fair job of preparing students for either work or college. City seems to have trouble with long range planning, has a huge budget and flops around with central missions of streets, water supply, sewer supply. Seem to always asking voters for a tax for a specific project and then spending part of the money for crisis management. Poor planning----!	6/25/2014 5:18 PM

217	Crime, drugs, theft	6/25/2014 4:57 PM
218	Lack of Jobs that pay enough for an individual to support their family. The lack of educated city commission. Their inability to see the total picture and their belief that dealing with small insignificant matters is truly what our community needs. They need to understand their role in city government. They are ruining this community and should do the right thing and step down because they are all in over their head. I'm sure the citizens would greatly appreciate at least having a commission that could read. Are these products of the local school system? Lets hope not. A poor excuse for a news paper, Lack of public transportation, and the list goes on.	6/25/2014 4:49 PM
219	We live in a county where the judges let repeat offenders continue to repeat. CRIME	6/25/2014 4:49 PM

224	People that feed off those who contribute to society and pay their taxes. Those tax dollars are for people who need it. It should be a requirement to take random drug test if assistance is needed. Too many people that have it do NOT need it. But no one seems to be doing anything about it. 236	3. We do not have an upcoming skilled job force which would be need for attracting specific types of business and industry. We lack housing for both mid-level and below workers if we could attract jobs. Transportation could also be a weakness, we are in a good location but do not have transportation network adequate for competition.	6/25/2014 4:08 PM

We are talking about people that are qualified to work, but choose to be freeloaders on the system. The community needs to clean up the drug problem. Close to 3 out of 4 people that interview for an entry level manufacturing position will not pass a drug test. This is an unacceptable statistic.	6/25/2014 4:02 PM

249	There are a lot of houses that really need to be tom down. They make the Parsons look trashy.	6/25/2014 3:46 PM
250	I don't think that the public is always aware of things going on around Parsons.	6/25/2014 3:44 PM
251	Very poor shopping.	6/25/2014 3:38 PM
252	Not enough fine restaurants or retail stores (no men's clothing stores).	6/25/2014 3:37 PM
253	Clean up a few areas around town. more opportunities for school/college age.	6/25/2014 3:36 PM
254	Housing. Even some of the nicer old neighborhoods look bad in comparison with Independence, Pittsburg, etc.	6/25/2014 3:35 PM
255	Bad police department	6/25/2014 3:34 PM
256	low assessed valuation. Bad landlords..the many group homes and services in the neighborhoods for mentally and physically challenged people seem to have weakened neighborhoods. Too few jobs that pay well. Lack of an interstate nearby Drugs and people trying to live off others and not work is a big problem.	6/25/2014 3:31 PM

287	1) Little entertainment for youth. 2) Few good dining options 3) Few places to enjoy wine with dinner. 4) Far from live entertainment 5) WalMart has driven out locally owned stores 6) Town shuts down EARLY 7) No "branding" or anything that makes us special	6/21/2014 9:59 PM
288	Poor leadership.	6/21/2014 9:34 PM
289	Children's activities, spending money without asking the public what THEY want. Roads are bad. Helping businesses that we all know are not going to work but not helping businesses that will. The skating rink should be a priority!! That place WILL make it! EVERYONE wants it open again and the city should be doing everything they can to help.	6/21/2014 6:48 PM
290	Parsons doesn't show well...limited decent housing...the money is being spent in certain areas of town...not equal...the roads are not maintain...potential for flooding too high	6/21/2014 6:03 PM

294	Police force. Out to get kids instead of working with them	6/21/2014 8:57 AM

What do you think about Parsons?

295	Poverty, poverty, poverty...it is the root of many of our problems such as drug use, crime, neglected children, neglected properties. We are also terrible about integrating the black and white communities. They tend to work parallel rather than together on the same issues. Also--we LOOK like a poor community to outsiders. Streets in bad shape, crumbling houses on every block, unattractive entrances into the city. The new "Welcome to Parsons" rock signs were a good idea, but damned ugly...put some people on a committee to think of ways to clean up/dress up the city and give them the money to actually do it.	6/21/2014 8:15 AM
296	high taxes, lack of affordable homes in good shape, lack of restaurants and stores, too many crappy old houses that should be tom down	6/21/2014 1:00 AM
297	No growth with business or jobs	6/20/2014 11:17 PM
298	Poverty pockets, no thriving restaurants, no retail businesses.	6/20/2014 10:18 PM
299	Staffing. The city is way under staff in all departments. The streets, parks, sanataion, police/fire. The city waste money on walking trails and signs instead of investion money in 250,000 dollar restroom but give there employees only 3% cost of living which doesn't cover cost of living. Exept the 10% the city manager put in for himself but froze all other raises. Stop throwing money to companies that come in and when they fail the city just lets them take the money and run. Bring in Applebees something you know has the backing to stay and actully hire and keep employees instead of just a job for a family run business.	6/20/2014 6:45 PM
300	Limited interest in the arts and humanities - local scope is strong, small nucleus, but otherwise lacking. Limited outlets for meeting folks with similar tastes and interests. No bookstore, no music store, no art gallery, no coffee shop, no open forums for local artists. Boring for 20-40 year olds.	6/20/2014 6:37 PM
301	City manager	6/20/2014 5:36 PM
302	Most tax dollars seem to go toward beautifying downtown while the rest of Parsons falls apart. Not much for young adults to do. Too many people go to Pittsburg or Joplin to spend their money.	6/20/2014 5:32 PM
303	Available and quality services; ie mental health, pediatricians, medical care in general	6/20/2014 5:16 PM
304	Failure to bring in chain restaurants and stores. All the zoning rules and hoops that people must jump through. Lack of proper places to walk (no sidewalks) and bicycle riding. The streets are falling apart.	6/20/2014 4:44 PM
305	lack of education, lack of ambition, lack of tact at kids sporting events, too many drug users	6/20/2014 3:59 PM
306	No middle class new homes, no shopping as others local town offers such as mAuricies, hibbets, and goody s	6/20/2014 3:37 PM
307	Some of the residential areas in town are run down and not well maintained .	6/20/2014 3:26 PM
308	Taxes . Boarded up homes that need to be tom down. People won't upgrade their homes because of high taxes. Need higher paying job opportunities.	6/20/2014 3:03 PM
309	Taxes and utility costs are too high. The economic development program is a joke. How much mone has been spent with no return and accountability. Real Estate owners on 16th Street and Main Street should not have any abandoned properties and those occupied should be better maintained. City Commission should discuss major issues and not spend so much time and money on issues like a dog park. Get our of the loan business and let the banks do the lending. Require all City employees live within the City limits or pay a minimum of 5% of wages as a City Tax.	6/20/2014 2:26 PM
310	Drugs, not enough jobs, lazy people, city officials who are stuck in their ways and don't take into consideration what people want to see happen in this town.	6/20/2014 2:16 PM
311	I believe there is a serious lack of pride within the community.	6/20/2014 1:39 PM

313	Low income community	6/20/2014 1:20 PM
314	People who won't take care of homes and yards, negative people who complain too much	6/20/2014 12:43 PM
315	The roads are bad. Lots of crime for such a small area. No where to shop for clothes for men. Lack of reatail stores. Lack of places to eat.	6/20/2014 12:03 PM

What do you think about Parsons?

316	Limited things to do compared to bigger communities and the distance to those communities is a challenge. Also, the condition of many homes is in total disarray and is an eyesore throughout the community, especially along the main thoroughfare along 59 Hwy . One last thing...I believe it is important to encourage everyone to return to living strong moral lives and not succumb to the constant moral decay in current American culture.	6/20/2014 11:45 AM
317	Residential roads, parents don't get their kids involved, too many complainers who don't want to be involved to help solve problems, athletic facilities look terrible most of the time (Winway bathrooms are terrible, as are Marvel Parks, tennis court fence is falling and grass is never mowed, etc).	6/20/2014 11:29 AM
318	Poor upkeep of property. Few job opportunities. Drug problem.	6/20/2014 11:25 AM
319	Housing, crime rate	6/20/2014 11:13 AM
320	Administrative personnel of some places do not even live in the City! Tough to promote to other folks about moving here when our leaders do not.	6/20/2014 10:04 AM
321	Poor housing picture. Gross, dilapidated houses that need to be torn down. New citizens have nothing to buy. People have little pride in taking care of their houses and yards.	6/20/2014 9:24 AM
322	To many to list..	6/20/2014 8:38 AM
323	Small	6/20/2014 8:37 AM
324	"Squabbling at city meetings" over small problems that are exploited to give a negative perception of this community. Problems/complaints that CAN be handled by city employees at all levels SHOULD be, as promptly as possible to help diffuse issues. Not maintaining city properties -- lots and parks mowed & clean. Physical appearance of many properties, especially on the main roads many people travel. POORLY maintained Restroom facilities @ ball parks that MANY people from other communities are exposed to -- then go spread negative comments about Parsons in their community. Poor upkeep of many homes.	6/20/2014 8:36 AM
325	The lack of jobs	6/20/2014 8:01 AM
326	The amount of drugs and low paying jobs that offer no opportunities for advancement.	6/20/2014 7:39 AM
327	Crime, Drugs, delapidated housing and business, perceived lack of work ethic in younger generation and lack of creative long term strategic planning by community leaders	6/20/2014 7:07 AM
328	No where for youth to hang out	6/20/2014 6:46 AM
329	Activities for kids such as nice sports complex like most other communities around us.	6/20/2014 6:45 AM
330	Infrastructure Abandoned homes General appearance of town	6/20/2014 6:42 AM
331	Everything	6/20/2014 5:40 AM
332	Not enough jobs or housing	6/20/2014 5:07 AM
333	If you are a city employee that is always saying you can't do everything because you are short staffed, DONT be telling us this on Facebook when you should be doing your job!!! Accountability, we have all been getting ill from drinking less than adequate water because someone didn't order testing bottles? Screw that!! We get sick, it costs us money. Someone shouldn't have a job in the water department. Poor roads. My wife has severe pain throughout her body and she feels every little bump while we are driving, let alone the craters and overfilled asphalt pot holes. I've never seen such an inadequate asphalt job as the one under 400 highway.	6/20/2014 4:51 AM
334	A lot of things, mostly getting more strict with legal issues.	6/20/2014 3:57 AM
335	Racism, decrepit houses, poorly run property tax laws, biased newspaper	6/20/2014 12:51 AM
336	Theft	6/20/2014 12:43 AM
337	The people	6/20/2014 12:35 AM
338	Judges and DA not standing behind the police. It sets a bad example. Allowing too much section 8. Makes those of us who pay taxes pay more. Increasing water bills and taxes but giving the city manager a raise. Pretty sure he needs to be evaluated as to what he does for the community. Not using sales tax increase for the roads as published but giving grants away.	6/19/2014 11:36 PM

What do you think about Parsons?

339	difficulties some have to stand up for what they think most people shop at Walmart, outside city limits, thereby limiting Parsons' tax income; Walmart wrecked the downtown; People don't walk very much. Sometimes people only look for how to spend as little money as possible and not keep in mind that buying 'local' will help others stay in business. Many homes need to be either tom down or helped out	6/19/2014 11:24 PM
340	Poor curb appeal on our major streets Perception that everything is always status quo High debt Diminishing home owners	6/19/2014 10:42 PM
341	City manager and Ms Martha at city offices. Doesn't any one check what she says to Parsonians?	6/19/2014 9:53 PM
342	No infrastructure.	6/19/2014 9:45 PM
343	city manager, lack of effective governing, not taking care of streets, spending money on consultants for stupid reasons, lack of jobs that pay a decent wage, not listening to the public regarding changes that affect them, must go out of town to shop for many things or order online	6/19/2014 9:43 PM
344	Economic diversity and lack of decent paying jobs.	6/19/2014 9:35 PM

349	To many low income housing and slum landlords-taxes	6/19/2014 8:59 PM
350	Little job opportunities.	6/19/2014 8:59 PM
351	Poor city management team, poor planning for the future that has existed for years, and increases on home owners and tax payers to fund broken systems that we cannot afford to shoulder the burden of the expense.	6/19/2014 8:58 PM
352	Drugs, welfare	6/19/2014 8:57 PM

358	Segregation	6/19/2014 8:22 PM
359	City government. Short-term physicians. Slow and/or unenforced zoning violations. Lack of pride like keeping yards picked up, making the best of your home with what you have—I keep hoping it will snowball if we keep setting examples.	6/19/2014 8:19 PM
360	Outdated infrastructure, lack of median income housing, too many dilapidated houses, too many excuses, lack of jobs for young adults and college graduates.	6/19/2014 8:18 PM

363	Out of shape police officers and department heads that do not live in Parsons city limits.	6/19/2014 8:13 PM
364	Not much to do around town	6/19/2014 8:06 PM
365	No decent jobs	6/19/2014 7:57 PM
366	Roads are needing repair, swimming pool needs replaced with a modern water park, property owners need to keep their lawns groomed and their yards clutter free.	6/19/2014 7:51 PM
367	All the run down boarded up houses. No shopping or restaurants	6/19/2014 7:38 PM

What do you think about Parsons?

368	No restraunts besides fast food. We need large chain quality eating establishments. The streets here are terrible. No entertainment besides an over priced movie theatre. I dont even have my family visit me here because there is no way to entertain someone outside your home unless you want to go to a run down bar. There are too many run down homes. CRIME CRIME CRIME AND nothing for kids to do here.	6/19/2014 7:34 PM
369	Police need to crack down on the crime an the roads need fixed	6/19/2014 7:20 PM
370	Lack of doctors, shopping, terrible roads, unkept and empty housing and lack of affordable decent housing	6/19/2014 7:13 PM
371	Taking correct care of business.	6/19/2014 7:12 PM
372	Tax rates, decapitated housing or NO housing(referred to as "green lots" around here). water and sewer infrastructures, streets are terrible if your not on a road that's considered a main vain or a street with a school on it. Highway 59 is worse then the old brick roads in town with that terrible patch work at the 400 intersection. lack of jobs that pay more then minimum wage, need more jobs that would make people want to move/stay here to use those degrees they eamed. lack of shopping, Walmart, jocks nitch, the farm store only options if you are a man.	6/19/2014 7:05 PM
373	HOUSING	6/19/2014 7:03 PM
374	City workers who are expected to complete task without enough employees. Way too many people on assistance. Home owners are penalized for taking care of their homes. Too many rundown homes which make the City look poor.	6/19/2014 7:01 PM
375	Taxes, businesses	6/19/2014 7:00 PM
376	Nothing to do. No where to hang out with decent free inetemet. I have to leave town to do anything.	6/19/2014 6:54 PM
377	Obvious drug traffic in Glenwood park, too many bars and no jobs.	6/19/2014 6:53 PM
378	Employment- property taxes- little options in egard to stores- entertainment- kids activities- lack of community support -city not making residents keep houses repaired yards mowed-	6/19/2014 6:52 PM
379	Parsons PD	6/19/2014 6:52 PM
380	Lack of shopping and restaurants. Highest gas in area. Not many job opportunities for young or for those wanting to move up.	6/19/2014 6:47 PM
381	Crime,police harass honest citizens	6/19/2014 6:43 PM
382	Houses allowed to stand that are literally falling apart, roofs with huge holes in them, people not painting for decades. It makes our neighborhoods look like utter trash...and to have high taxes on top of crappy looking neighborhoods is absurd. Very little jobs. Watching restaurants open over and over, but fail. We really don't need more restaurants. This cannot be helping the city by them failing all the time. things needing to be fixed that impact our neighborhoods, parks or streets but they just not ever getting accomplished. The hospital is pretty reasonable for our city size, however it's obvious that the management is not working out well. We've lost one of only two pediatricians which stinks, because they refused to allow the pediatrician to not have to be on call 24 hours a day, 365 days a year for c sections. How on earth could they have let her go????!?? There is no way on earth Dr. Dixit can take care of all the kids in Parsons and surrounding communities. We are now seeing a family doctor who is cutting his hours directly because of management at the hospital. It's not cool to be facing having to travel to Joplin for our medical care. We already have to go there for the kids dental care. obviously the city has next to nothing they can do at the hospital, but the discussion still needs to be made.	6/19/2014 6:37 PM
383	The people who complain about everything, but offer no realistic suggestions to come up with a solution	6/19/2014 6:37 PM
384	Elderly votes against anything for the young	6/19/2014 6:34 PM
385	Mostly everything about it. The poor road conditiobs not enough fast food choices, unsupported small businesses, no bathrooms at the playgrounds, to many rules and regulations, poor water quality and much more	6/19/2014 6:33 PM
386	City offices, the value of real estate is very low	6/19/2014 6:33 PM
387	Nothing for kids especially teenagers. Not a lot for adults to do either like you will be sitting home on sat night and be like with to do and go out every thing is closed.	6/19/2014 6:31 PM

What do you think about Parsons?

388	They seem to promote low income. The new neighborhood that was to be on north blvd should have been relocated, not dropped	6/19/2014 6:28 PM
389	ROADS ROADS ROADS they are HORRIBLE. I went throughout 3 sets of tires and a set of ball joints. In less than 6 months of living there and the only roads I drove were 32nd, north side of 26th, and 59 hwy to Wal-Mart... the city needs to completely do away with the lil patches they do on the roads it makes them way worse. And the other thing is crime. To many wanna be thugs moving to Parsons and trying to make a name for themselves.	6/19/2014 6:28 PM
390	*Lack of good jobs *Poor communication *Too many people using illegal drugs	6/19/2014 6:28 PM
391	Jobs are scarce	6/19/2014 6:26 PM
392	No industry..good paying jobs.	6/19/2014 6:25 PM
393	People who keep thinks from happening-- business, new anything. There is a need to improve the way we are seen in the news; when our commissioners are making a\$\$ of themselves and the Sun report it the community is seen in a bad light.	6/19/2014 6:24 PM
394	Nothing to do. Drowning in know it all's. Too many people who think they are big fish in the little pond. No liquor on Sunday	6/19/2014 6:14 PM
395	Poor leadership, lack of business to create sales tax and lack of entertainment for our youth	6/19/2014 6:12 PM
396	The constant cycle of poverty, crime & drugs. You can't turn a blind eye to the areas that need support.	6/19/2014 6:09 PM
397	The town as a whole is in a state of disrepair. We have too many empty buildings, abandoned houses, and undeveloped weed filled lots. Also, there is a hierarchy of "haves" and "have-nots". Until all of Parsons residents are allowed to be involved and feel like they have a stake in the future of Parsons, the "have-nots" will slowly overtake the "haves", and this town will continue to deteriorate.	6/19/2014 6:05 PM
398	job opportunities, poor corrupt police department, too many welfare handouts	6/19/2014 6:00 PM
399	The streets are horrible. The commissioners do not listen when people call them.	6/19/2014 5:54 PM
400	Not enough good paying jobs, too many buildings and homes that are just slowly decaying.	6/19/2014 5:51 PM
401	Crime police	6/19/2014 5:50 PM
402	Nothing fun (free) for the teens to do. Not many jobs available.	6/19/2014 5:46 PM
403	I feel like those in charge of the judicial system are not hard enough on lawbreakers.	6/19/2014 5:42 PM
404	Tons of people complain about the lack of activities, I'm tired of hearing it, then DO something about yourself. Start an activity that you wish was available for you. You never know how many people that could reach!	6/19/2014 5:39 PM
405	The economy, job availability, income to cost of living ratio. State things I guess.	6/19/2014 5:37 PM
406	Poverty.	6/19/2014 5:33 PM
407	Because of the past it is hard for the future. Meaning... because of that plaza thing that was up town stores failed and people have gotten too used to out of town shopping. Basically, people in town have a hard time supporting anything local when you can go out of town and get everything you want.	6/19/2014 5:31 PM
408	poor city manager, tired "railroad" festival, bad grocery stores, no men's clothing store, mediocre newspaper and radio station	6/19/2014 5:28 PM
409	No jobs and nothing for children or families to do. Also some houses need to be tore down due to being dilapidated. Taxes are way to high. Water pipe problems and water bill to high.	6/19/2014 5:28 PM
410	Delapidation.	6/19/2014 5:26 PM
411	To many chiefs and not enough indians, and high taxes.	6/19/2014 5:23 PM
412	Our streets	6/19/2014 5:22 PM
413	Lots of run down houses. Too much money from city put into new businesses that don't last. Walmart.	6/19/2014 5:15 PM

What do you think about Parsons?

414	Poverty, poor leadership and management for many years, greed of the few that are in positions to be greedy, drugs (for probably many reasons) rampet, the same old depends on your name and financial situation as to who gets the breaks and who doesn't for the most part, continual decline of streets, water/sewer system, decline in hope which leads to many of the other problems for our young people, lack of decent jobs.....	6/19/2014 5:14 PM
415	The roaming gangs of criminal who will beat you for no reason other than they are bored, and a Police dept who don't seem to care	6/19/2014 5:07 PM
416	I feel there is not enough making people want to stay. Bring some good paying jobs to town so after people graduate and go to college they will want to come back	6/19/2014 5:06 PM
417	Crime. Not a lot to offer for children	6/19/2014 5:05 PM
418	it is a small quiet community. it has nothing to draw people here. no convention center for conventions or concerts. no real big draw events except for Katy days.	6/19/2014 5:02 PM
419	walmart	6/19/2014 5:00 PM
420	Not much to do in town for any age	6/19/2014 4:59 PM
421	I feel division in other areas. I feel like there is a huge economic gap for a town this size. Lots of unemployment and children living in physically and mentally unhealthy conditions. We are only as strong as our weakest link, so the middle class can't really move up unless the entire community comes with them. Not through communism or socialism, but through compassion and sacrifice.	6/19/2014 4:58 PM
422	Self criticism and negative attitude about our community. Run down houses with citizens who either don't have the means or don't care about their houses.	6/19/2014 4:56 PM
423	Lack of opportunity.	6/19/2014 4:55 PM
424	Streets, infrastructure, empty buildings on main street, decaying and substandard housing and lack of industry / jobs.	6/19/2014 4:54 PM
425	Streets, jobs, lots of lazy people.	6/19/2014 4:51 PM
426	High property taxes, city government that seems disconnected from the people.	6/19/2014 4:50 PM
427	Nothing for the kids to do	6/19/2014 4:50 PM
428	Not enough restaurants or shopping.TERRIBLE streets...(popular streets,with big homes like Morgan are terrible!)	6/19/2014 4:50 PM
429	Need more things for children to do. More places to shop instead of going out of town	6/19/2014 4:50 PM
430	Crimes	6/19/2014 4:49 PM
431	High property taxes NO housing for college students NO clothing stores men Doctors who will stay here!	6/19/2014 4:48 PM
432	High property taxes with no job growth	6/19/2014 4:47 PM
433	population leaving	6/19/2014 4:41 PM
434	City staff	6/19/2014 4:40 PM
435	not enough places to eat at on Sunday or Monday...or in general	6/19/2014 4:39 PM
436	Corrupt administration in the police department	6/19/2014 4:36 PM
437	Restaurants, housing, shopping, houses looking a mess, city landscaping, town looking old and not taken care of, drug issues,	6/19/2014 4:35 PM
438	Negative people (they're everywhere!!), not many places to shop, not many places to go out to eat on Sunday or Monday, city water, bad roads	6/19/2014 4:32 PM
439	The town is run by a select few. Nepotism is rampant.	6/19/2014 4:32 PM
440	Parsons needs new leadership, specifically a new City Manager, that is willing to find innovative ways to provide better recreational opportunities for its families and youth. That person should also be able to use tax payer money more efficiently to provide citizens with better roads and infrastructure. The City Manager should also place higher demands on Parsons landlords so that nicer and safer rental properties are available at more reasonable prices to renters.	6/19/2014 4:31 PM

What do you think about Parsons?

441	Opportunity. No place to earn a decent living, no options for that "living" when you find it. Spends more money on police, and decorative stones than on making this town the queen that once was. The commission that dictates this communities lifestyle are afraid of change, and seem to be only interested in the survival, and well-being of themselves, and the rest of the "old-guard".	6/19/2014 4:28 PM
442	no place to shop, not much for the kids to do, same ole same ole fast foods! only one hardware store,	6/19/2014 4:28 PM
443	Crime is actually high for such a small town. Cops seem to try to do their part, but it's a waste once it's hits judicial system. Not near enough activities to keep teens/kids occupied and out of trouble.	6/19/2014 4:28 PM
444	Allowing new businesses to come in	6/19/2014 4:26 PM
445	not helping the needy	6/19/2014 4:25 PM
446	Lack of good paying jobs. The amount of crime. ie, break ins, theft, drugs. Activities for kids.	6/19/2014 4:18 PM
447	The few local businesses. Too many historic building lost to urban renewal. Houses being torn down for no reason.	6/19/2014 4:16 PM
448	Business leaving parsons and not much for young kids to do. Hard to find decent jobs. Also the appearance of parsons. Abandoned houses falling down everywhere. Makes neighborhoods look bad.	6/19/2014 4:13 PM
449	city budgeting	6/19/2014 4:11 PM
450	Infrastructure (road). Government. Housing. Nothing to show for the high taxes paid.	6/19/2014 4:08 PM
451	Drama and poverty	6/19/2014 4:07 PM
452	There seems to be little thought for the future. People who live in Parsons do not speak highly of Parsons. People who live in Parsons are not good at promoting the community.	6/19/2014 4:05 PM
453	jobs	6/19/2014 4:04 PM
454	Same as most towns high taxes, terrible road conditions,not enough jobs, bad housing	6/19/2014 4:04 PM
455	Lack of things for children. We have used the 1/2 cent sales tax for stage for concerts (older people), bike trail (older people I guess), lights and sidewalks (older people). We have nothing to offer kids. Every surrounding town has a better pool, skating rinks, things for families with children. It's no wonder USD 503's enrollment has dropped dramatically, we have nothing to offer families with young children.	6/19/2014 4:03 PM
456	Not enough good restaurants with good food. Too many old dilapidated houses. CRIME!	6/19/2014 4:00 PM
457	Lots of problems with drinking, drugs and homeless. Not a lot to do or places to go.	6/19/2014 4:00 PM

2	Parsons needs to start seeking out students who have recently graduated from college with degrees in business and look for ways to get them connected to the community again.	6/30/2014 10:14 PM
3	Streets retail opportunity	6/30/2014 9:14 PM
4	None	6/30/2014 6:55 PM
5	On my visit I thought that with the right funding all the great storefronts could be utilized for a vibrant arts and crafts community. I live in Portland oregon and it's becoming impossible for struggling and emerging artists to afford to live here.	6/30/2014 4:59 PM
6	Hold criminals accountable! Allow a younger generation in on brainstorming events	6/30/2014 4:17 PM
7	Agriculture	6/30/2014 4:06 PM
8	Further improvements for family, exercise and health. Minnesota has much shorter summer and many more walking trails and parks than we have down here. Take a look at plains Spirit trail just about an hour or so drive north. That thing is 40 or 50 miles long. Parsons had a good plan for a walking trail here, but cut it short before they even started construction on it. Things need to be done to bring friendliness back to the town I first moved here too, to bring families together, to make it a likable community. Small improvements in appearance, attitudes, friendliness, cleanliness, condition will do alot in regards to recruiting people to come to stay. When you show improvement in those, you will get new like minded people in here.	6/30/2014 3:55 PM
9	We could use some more places to eat out. I'm not sure what is meant here. I would love more clothing stores. 16	I really do believe that if we could get a good franchise in Parsons, like Panera for example, it would provide variety and local spending instead of people having to go all the way to Joplin or Pittsburg. Even a Dillons would be amazing, it would bring good prices to a town where we desperately need it. Our HS educational system needs serious restructure, with less focus on sports and more on academics. More college prep, more advanced classes, better resources for the advanced kids. ELP and College Orientation classes are extremely important and the higher level kids need a challenge in our school system instead of one curriculum. More teacher interaction for the kids who need it on a one on one basis.	6/30/2014 1:57 PM

112	Being Centralized located to larger cities.	6/26/2014 9:41 AM
113	Increased support and focus on the long term economy basics. Farming and manufacturing. The Amish and Mennonite will not promote themselves. Established long term manufacturing will not ask for help and is often reluctant to even accept help. Even though both of these groups are hard to mine for their opportunities, it would be worth the effort.	6/26/2014 9:13 AM
114	Good question??	6/26/2014 8:44 AM
115	To go to jail	6/26/2014 8:36 AM

132	At this point, I think it's a sinking ship and has been since the tomado in 2000. Homeowners didn't rebuild and businesses either died or went under.	6/25/2014 10:50 PM
133	Growing bussieness	6/25/2014 10:13 PM

135	New swimming pool	6/25/2014 9:36 PM
136	Urban development!!! Give other businesses a chance based on what all of the town decides. Give tax breaks fairly to the businesses that want to have stores or restaurants there. Clean up the houses that are just falling apart. We have some beautiful old homes that are just rotting away. It's so sad to see. Help the local people that need tax assistance or money for their business...like Silver Wheels!!!	6/25/2014 9:24 PM
137	How about actually sending people to jail for the crimes they commit instead of slapping them on the wrist and making them pinky swear not to do it again.	6/25/2014 8:53 PM

147	Housing and job development	6/25/2014 7:51 PM

149	None that I'm aware of	6/25/2014 7:36 PM
150	Not much.	6/25/2014 7:25 PM
151	Activities for children, teens, and young people aged 20-35. I think that only having a bar to go to to meet poeple is no fun and hosting some type of food series or concert series geared towards the younger crowd would help generate some hype.	6/25/2014 7:03 PM
152	...	6/25/2014 7:01 PM

275	Many oppotunities have been lost because of high tax and utility costs. The downtown (except for a few locations) is an area that makes most of us feel good after such a disaster with the Plaza. Get rid of the terrible looking structures along 16th & Main streets. Develop a uniform government structure with the county to inhance efficiency and cost savings. Stop competing with local business such as trash service, street maintenance, etc. to bcome more efficient, cut costs and allow local business owners to grow. Let citizens decide on their own trash provider.	6/20/2014 2:26 PM
276	Jobs, activities for kids/adults, community service/involvement, community cleanup	6/20/2014 2:16 PM
277	Parsons needs to bring in more business and the ones there have very inadequate hours of operation.	6/20/2014 1:39 PM
278	I see tons of potential for growth in Parsons. I think as long as Parsons continues to focus on quality vs quantity. That's what makes a wonderful small town more appealing. Meaning, keep what is already there running at it's full potential, as much as possible. Don't let the parks get run down, etc	6/20/2014 1:33 PM

282	I believe Parsons has the opportunity to draw in more industry and businesses. We also need a comprehensive plan to completely take care of the homes and other buildings that are in disarray. I also believe that Parsons is one of those communities that could be very impactful if more partnerships were encourages between city and civic organizations and local faith communities.	6/20/2014 11:45 AM

298	Parsons could offer people low interest loans to fix up their houses--award industry and effort rather than punish those who try. Parsons should work to try to attract some mid-sized companies--right in between Independence, Pittsburg, and Coffeyville is a good situation!!!	6/20/2014 12:51 AM
299	Build a pool like independence or Pittsburg. Allow more activities for kids other than sports. Instead of bringing youth in from out of town to paint houses how about youth in parsons being allowed to take part in the community and being allowed to have pride in it.	6/19/2014 11:36 PM

What do you think about Parsons?

355	The city needs to require citizens to maintain their properties and take care of the ones that are abandoned. Start an annual Parsons Pride civic event, where charitable organizations and individuals can donate time to cleaning up the town. Every year, thousands come to our town for Katy Days festival, but there is nothing here to offer them. Offer economic incentives to businesses that will actually do well in Parsons, not be here 6 months then go out of business.	6/19/2014 6:05 PM

391	There should be a greater effort made in bringing in new business and creating new jobs. Right now all of the other surrounding small communities are showing greater progress in all of those areas.	6/19/2014 4:31 PM
392	Parsons has some jobs, but at the end of the day; if your not a professional, or work for Ducommun, CST, Tank connections, you are more than likely financially broke, or you have to commute to another community. 402	Once again, I love the uniqueness. People open up random businesses that may seem a bit like fantasies in a town this size, but we are able to get behind them and support them. 420	Citizens of Parsons take a lot of pride in their town and want to see growth. We just need leadership who will listen and find ways to ensure the growth, instead of making excuses for always doing the minimum amount of work possible.	6/19/2014 4:34 PM

1	I think the negative perception is just a projection of what is real. If you look around you can see that a large percentage of our population lives below the poverty line. Parsons just looks like a "poor" community sometimes.	6/30/2014 10:24 PM

7	Statistics. I saw a story that Parsons fell in the top 10, per capita, drugs and violent crimes, in the country, for a city this size.	6/30/2014 4:02 PM
8	Kids that dont have anything better to do than talkbad about the town and do bad things which causes parents to put the blame on Parsons schools or not have much to do for middle school / highschool age.	6/30/2014 3:42 PM

11	Of course it's from the citizens who live here. The city commissioners do not represent the majority of the people. I have personally talked with a commissioner who told me one thing, then in reading his comments and the votes in the Parsons Sun, found he completely lied to me. He seems to tell people what they want to hear and says he will vote one way then does something else.	6/30/2014 3:18 PM

What do you think about Parsons?

59	What it is. Roads are horrible, that speaks for itself. An out-of-towner told my spouse a while back he would never move to Parsons because the roads are horrible and it is a "nasty, dirty town." He was from Chanute. He said, "When you drive down Main, all you see are a bunch of derelicts and f-ups walking and sitting around everywhere on the corners." He also added that the way Parsons promotes their downtown area, it is the worse part for this. His words, not mine. And he was laughing when he said it. Newspaper articles showing how many people get away with crimes repeatedly in Parsons/Labette County. The people that live in it speak badly to others about it also. Businesses closing.	6/29/2014 11:20 AM

73	the crime. a lot of run down neighborhoods	6/27/2014 11:55 AM
74	Too much crime and too little judicial punishment enforced. Attracting citizens due to easy access to drugs, alcohol, low-income housing, easy and higher payments for living off of government programs. Medical providers give out too many prescriptions for controlled substances from ER and office (legalized drug use). Rental housing is horrendous and slum lords should be ashamed and accountable to offer a place for rent ONLY if it is safe (not by the standards of the local housing authority as they are one of them).	6/27/2014 11:06 AM

What do you think about Parsons?

86	Acquiring folks from Louisiana who do not work and have increased our drug and crime problem.	6/26/2014 5:14 PM
87	Honestly, I think Parsons has a bad reputation for crime like child abuse and drug/alcohol abuse because these things are real issues in our community. Until we as a community admit these are a real problem and face them head on they will continue to be a problem.	6/26/2014 5:05 PM

93	Poor city management with an us (govt) vs them (citizens) attitude instead of we work for them attitude!	6/26/2014 2:34 PM
94	Before moving to Parsons 4 years ago, all I heard about was the crime rate. This came after speaking to law enforcement buddies who knew my husband. Since living here, I don't hear much. However, extended family members will continue to ask or mention things that happen in Parsons. I think I live in a "bubble" since moving here because I don't hear about it as much; except stories in the paper. I couldn't tell you the source in which family members are getting their information.	6/26/2014 2:00 PM

96	abandoned, rundown homes	6/26/2014 1:10 PM
97	The negative perception comes from the people. People do not like our city government and believes that they are not doing the City any good. Also, we have become the drop off zone for the mentally challenged.	6/26/2014 12:53 PM

113	This has been a LONG time, DEEP imbedded attitude. No one feels they can 'go anywhere' in this town. The majority of our leaders are not from here and most entities will not look at people from here but rather hire people from towns and even states away. Even as children we are told to hurry up and get out of town or you will never amount to anything.	6/26/2014 8:29 AM

What do you think about Parsons?

115	The negative I have heard is "there's not a lot in Parsons so I go to Pittsburg or Joplin." I have also heard a negative perception of the people in Parsons as a work force.	6/26/2014 8:20 AM
116	again the hospital. too much money being spent on lots of things but not particularly patient care.	6/26/2014 8:03 AM
117	The only negative perception i have heard is the water is too high and the rental properties are expensive and poorly kept.	6/26/2014 8:02 AM
118	If we have a negative perception, it is because of what we project.	6/26/2014 8:01 AM
119	I would maybe say the overall attitude of people. It doesn't seem as if much pride is taken even down to the fast food places they are ok to screw up your order and just don't care and are rude and this seems to be almost every single place here. I'm not saying that each place doesn't have a person or few people who are considerate but for the most part just very ok to be below average. You go to Pittsburg chunute joplin the quality of service is way above what we have going on. You ask somebody at walmart where something is they say I don't know...to me that is unacceptable but that is the norm at our walmart. These are the places out of towners will be going when they visit parsons. So they are left with that impression when they leave. I'm not from parsons I'm from Columbus and in the early 90's parsons was a booming community. This is where we came to spend time. We ate here, Hardee's long johns KFC , we went to the high school games here. Parsons had something Columbus didn't which was school pride. Parsons WAS SO MUCH FUN! Now it's just not the same. I'm not sure how to make a change in that area, I'm guessing starting with administration making these things a priority.	6/26/2014 8:00 AM

302	As far back as my grandparent generation people thinking that other towns/cities and school districts are better then parsons' even if these towns are just as small and screwed up as we are, but people think these other small towns are better because its not parsons. People get extremely upset when we finally get a street repaved ten years after it really should of been done and a month later tearing holes in it to fix something that could of been fixed before the new pavement is put down. the city is viewed as a city government that wastes money that isn't there on projects like THE DOG PARK	6/19/2014 7:36 PM

1	We should be making efforts to get people back into jobs so they can support themselves and their families and eventually begin stimulating the economy. Contrary to popular belief, there are people in Parsons that would like to work. They just don't want to work minimum wage jobs because you literally can't raise a family on that. It's impossible. I've calculated it myself and the numbers just don't equate to what's necessary to support a family. What's unfortunate is that the population is declining slowly. There isn't much of an incentive for businesses to come to Parsons. It's quite sad to think about. That said, I still think that job creation might be the beginning of a transformation for our town.	6/30/2014 10:24 PM

53	Partially would be to move the SKIL office to a new location. I know they are a good service and serve their purpose, but..... you don't see state hospitals or rehab/addiction facilities or needle exchanges in the downtown areas or on main street for a reason. 117	Get rid of corruption. You know it's there. Let the middle class or low class run the city. It's about business not politics. It's about making people happy to live, work and shop in Parsons. For the people running it now; it's about the money they have and what they can buy with it and abuse of power. They brag about who they within the city positions. Get them all out!	6/25/2014 11:03 PM

133	Better city government.. lower taxes.	6/25/2014 6:53 PM
134	Hire more cops to clean up the streets and solve the crime rate and pay them more so they can live. By do that the trouble makers will leave and the community will be safer for the good folk. With that the City might be able to get some business in here and maybe people might start working for there money in steed of setting at home waiting on there stupid check.	6/25/2014 6:47 PM

What do you think about Parsons?

142	Fix things open more things to do in this town	6/25/2014 6:19 PM
143	The judicial system is going to have to do more than slap the wrist of drug offenders. A strong message needs to be sent that this community no longer welcomes that type of individual.	6/25/2014 6:17 PM
144	Not sure	6/25/2014 6:09 PM
145	show us houses that are torn down, yards that are mowed, good restaurants and businesses coming to town.	6/25/2014 5:50 PM
146	Spend money on fixing things in town an then get stuff for the kids to do maybe that will lower the crime	6/25/2014 5:48 PM
147	doubt it'll ever change. the town needs an enema	6/25/2014 5:47 PM
148	Mine haven't worked very well so far, but maybe we need to keep trying to develop that community spirit. Encourage groups topromote neighbor hood gatherings for all ages, city employees speaking and being more part of the gang rather than tax collectors. Not that the city employees do that but people look at them as the bad guys so often. Many Parsonians often create a lot of rumors about how some people act toward others on no facts at all. Churches could realize that being a neighbor and trying to make things better for us all is really the story and not just getting into heaven.	6/25/2014 5:45 PM
149	Possibly more to do for preteen to young adult, also maybe a mandatory mentoring program w/follow thru when preteen to young adults get into trouble so they can be inspired to find what they would like to do w their life...	6/25/2014 5:45 PM

162	Police involvement in the community events. It was nice to see them at Katy days.	6/25/2014 5:16 PM

170	growing up the moms had signs in their windows telling you that they were a neighborhood mom and it was safe to go to that house if you were in trouble. We all looked out for each other.	6/25/2014 4:50 PM

What do you think about Parsons?

171	Find community representatives from several different locations in Parsons and have them come up with suggestions. Get the community involved, not just a select few in the community. Diversity!	6/25/2014 4:47 PM
172	Attracting a new group of people so that the town can grow.	6/25/2014 4:46 PM

174	fire people	6/25/2014 4:40 PM
175	bring more opportunities to Parsons more stores more factories worry less about the roads and you trying to fill in the potholes bring jobs to Parsons	6/25/2014 4:37 PM
176	I think sometimes people feel trapped. A lot of individuals chose to settle here. Maybe those who re-located in Parsons should be polled to remind people who have lived here all their lives about the good things in the community. Some times its hard to see the forest for the trees. It's possible people who don't move away feel like failures. It would be wonderful to be able to turn that feeling into feeling good about chosing to stay in Parsons to be close to family and friends, raising their own children where they can get a good education and live in a safe environment with job opportunities for a living wage.	6/25/2014 4:35 PM
177	Get rid of Goforth and his girlfriend and put some people in charge that actually care about our officers and civilians. Work harder at making this community stronger and less at putting money in the pockets of politicians. Get the riff-raff OFF the streets and out of out town!	6/25/2014 4:26 PM
178	Nobody will obey the law if they know they will not be any consequences for disobeying it.	6/25/2014 4:26 PM
179	More cops?	6/25/2014 4:23 PM
180	Willingness to work with nearby communities to look for possibilities of growth opportunities.	6/25/2014 4:22 PM
181	Better screening when it comes to the hiring of law enforcement	6/25/2014 4:21 PM
182	Help people remodel who can't afford, especially those on the main streets through town.	6/25/2014 4:20 PM
183	New leaders that are actually committed to bettering our community financially by recruiting employers, entertainment venues and creating some sort of regulated standardized housing rules for landlords to follow so that they cannot rent out crap houses to hardworking people!	6/25/2014 4:19 PM
184	Look into new things. Quit being so closed minded. Everywhere around us is expanding, and we are Just stuck. New restaurants would be nice, hopefully opening the skating rink soon. We need something fun here!	6/25/2014 4:17 PM
185	Auction off or sell at low price with stipulation house must be renovated in set amount of time.	6/25/2014 4:11 PM
186	8. Educate people, but in saying that how do you get that tie in and commitment from the general population. They need to respect individuals who are trying to make this difference.	6/25/2014 4:10 PM
187	Increase the removal of abandoned homes. They should not exist on well travelled roads. Every day that people pass "dumps" going to work, the entire community perception is lowered.	6/25/2014 4:02 PM
188	For me, it would be moving somewhere else. Unfortunately, that will be difficult until I retire.	6/25/2014 3:59 PM
189	I think once people actually visit Parsons and meet the people they would have a different perspective.	6/25/2014 3:58 PM
190	Move to a different town	6/25/2014 3:58 PM
191	Figure out what our community's doing wrong! All these small towns around us seem to be doing way for their kids then we are & I just don't understand where parsons is going wrong!!! We have nothing to do, 2stores that women can shop in & a few decent places to eat. It's a pretty sad situations!!!	6/25/2014 3:55 PM
192	Get the police to quit harassing people about a tail light and fight the crime. There is NO reason for in town cops to be driving around wasting taxpayers money on gas. Maybe one for special things, but all 24/7 no way!!!	6/25/2014 3:54 PM
193	Schools, schools, and schools! Good/great public education will draw young families. Young parents looking for good education for their children will be more involved in their children's lives and are more likely to be socially active in their community as well as bringing a positive attitude along with them.	6/25/2014 3:53 PM
194	Not much	6/25/2014 3:53 PM

205	Find people to post positive things on facebook, social media. Get the clubs that are already active and doing wonderful things to get the word out about the good things they do. Find more people to write stories for the Parsons Sun. Don't expect them to do it. Get students, teachers, etc to turn in stories about positive things happening. Don't relax once good things start happening, it will always take an effort. Help promote the good businesses we have that have been here for a long time instead of only working with new ones.	6/25/2014 3:12 PM
206	no ideas move away	6/25/2014 3:09 PM
207	Again, giving tax breaks for an incentive to fix up all the run down older homes in Parsons. Especially on the main highway through Parsons.	6/25/2014 11:30 AM
208	The people who are perceived to be the leaders, mover & shakers of this community must work to expand and include the "community friend base." There is a definite need for younger persons to take pride and step up to the challenges of improving this community.	6/25/2014 10:29 AM

223	I wish I had worthwhile suggestions for this . . .	6/21/2014 10:05 PM

What do you think about Parsons?

224	Ask for public surveys and LISTEN TO THEM!	6/21/2014 6:48 PM
225	Police enforcing a clean and safe community, don't provide all the low income housing that make it so attractive and easy to stay in Parsons for those who don't make it better but instead contribute to the negatives	6/21/2014 1:06 PM
226	Quit being a Mecca for the unemployed	6/21/2014 10:00 AM

232	IQ test and mental screening after all major brain surgeries for commissioners	6/20/2014 6:50 PM
233	If you want to change that perception, you have to change a person's values. You have to have an agent of change go out among people and convince them their way of life needs to evolve. Research social change theories for more information.	6/20/2014 6:43 PM
234	Less low income housing	6/20/2014 5:39 PM
235	By either providing or enticing others to provide activities or a place where people could go to have fun.	6/20/2014 5:35 PM
236	Prosecuting criminals... Instead of offering them pleas to be an informant.	6/20/2014 5:19 PM
237	Give people tax BREAKS if they take care of their properties instead of taxing them more. Require landlords to keep their properties painted and looking good. Tear down abandoned properties. Come up with good incentive packages to bring in restaurants and boutiques. Work with a developer to build MIDDLE income housing neighborhoods. \$120000-\$150000. We have too many low income areas.	6/20/2014 4:53 PM
238	Get people off drugs and welfare	6/20/2014 4:02 PM
239	Building more middle class housing so we can get property tax off of them	6/20/2014 3:43 PM
240	City government must do a better job of managing budget to hold down the increase in taxes.	6/20/2014 3:32 PM
241	Consolidation of government (City & County) .Require all city employees to live within the city limits or pay a city earnings tax. Too many high paying government employees jobs ahve been added the last several years. For instance, the city attorney was on a part time retainer and lived in Parsons.	6/20/2014 2:33 PM

What do you think about Parsons?

252	Aggressive housing program. A program to financially help people improve their homes by helping people who want to work to help themselves. Quit worrying about piecemeal applications of filling in blighted areas. Do a survey. I will bet that a huge amount of mid-level executives that are new employees of the last ten years have elected to work in Parsons but live somewhere else.	6/20/2014 9:35 AM
253	Education	6/20/2014 8:38 AM
254	City government needs to take the lead to make tough decisions that will yield noticeable improvements in many aspects. They need to be proactive in talking UP this community as well as cutting through "un-required" red tape (...or pettiness) that gets in the way of positive progress. This includes a more positive attitude at the top as well as visible improvements throughout the city.	6/20/2014 8:37 AM
255	I think finding industry to go into the ammunition plant area should be top of the list. Some manufacturing from an established company like Proctor and Gamble would be much better than a start up.	6/20/2014 7:45 AM
256	You don't have budget	6/20/2014 6:49 AM
257	Be more proactive in maintaining our city. It shouldn't take years to repair a main road or tear down an abandoned home.	6/20/2014 6:48 AM
258	Can't change people.	6/20/2014 6:47 AM
259	Incentives to tear down dilapidated structures, encourage rental and apartment property, including dorms for college students.	6/20/2014 5:10 AM
260	Show progress. Fix something. Fix anything. It doesn't have to be huge, just something that shows you are making the effort to do right by the people that live in this town.	6/20/2014 5:05 AM
261	Being more strict with legal issues. A lot of the enforcers of the law, as I've heard and seen, are not strict enough and let a lot of things go that they shouldn't.	6/20/2014 4:00 AM
262	Change the law--and start awarding people for working on their houses.	6/20/2014 12:52 AM
263	Cut down on drug activity	6/20/2014 12:45 AM
264	Bring in businesses that we need. Think about how much business goes out of town at the beginning of the school year buying clothing and supplies. Can't buy anything like electronic devices without going out of town. Bring in named restaurants.	6/19/2014 11:41 PM
265	not sure	6/19/2014 11:24 PM
266	Youth rallies Wifi gathering places down town Raze shacks and build new neighborhoods Positive leadership Smart leadership More cheerleading for all accomplishments Constant recognition to all volunteers	6/19/2014 10:55 PM
267	Better background checks in the Sun before next elections. Seems biased. Yes, biased!	6/19/2014 9:59 PM
268	Better law enforcement	6/19/2014 9:47 PM
269	Quit the status quo. Sell the lots by walmart at a discount and let them be developed. Need better shopping so people quit going to joplin and pittsburg	6/19/2014 9:28 PM
270	Throw the bums out	6/19/2014 9:25 PM
271	Get someone in that want better things for the community and not people in it for the money	6/19/2014 9:21 PM
272	Financial support for the reopening of the Skating Rink. Support for parks and recreation. New City Leadership that can embrace change and think outside the box for funding. And, finally get ahead of the infrastructure problem instead of playing catch-up for all the issues that end up costing (once again), property owners the majority of the tab!	6/19/2014 9:06 PM
273	I really don't know what would bring the community together.	6/19/2014 9:02 PM

What do you think about Parsons?

279	Let's get rid of the dilapidated houses, give incentives to fill empty businesses, fix roads, apply for grants to supply programming for kids	6/19/2014 8:21 PM
280	have them do the right things for a change	6/19/2014 8:16 PM
281	Accountability.	6/19/2014 8:14 PM
282	Those in charge find time to spend with the daily labor workers and the poverty and crime stricken areas of town. Those areas are what drive people out of town.	6/19/2014 8:01 PM
283	More jobs so so many aren't on welfare	6/19/2014 7:59 PM
284	The city needs to crack down on property owners who have neglected their own home and rental properties. The city also needs to weed-eat the properties that they mow. Weeds and tall grass make our town seem like no one cares.	6/19/2014 7:54 PM
285	I'm not sure that negative people can have their perception changed. They see the negative side of everything, not just the community they live in. Some are always thinking someone is trying to pull something over on the people.	6/19/2014 7:44 PM
286	On crime...A new county attorney and find a way to eliminate the poverty in this county. Also clean this town up and make homeowners responsible for maintaining their property.	6/19/2014 7:39 PM
287	STOP SPENDING MONEY ON PROJECTS LIKE THE DOG PARK!!! Get companies that have jobs that require degrees as well as good paying manual labor jobs to get interested in our area	6/19/2014 7:36 PM
288	bring in drs. that do not make life threatening mistakes	6/19/2014 7:36 PM
289	New blood or new people in the offices that control what happens in this town! Less taxes. Controlled spending. Maybe we could get better people and more opportunity? All in all our tax dollars spent where they are suppose to go. And bring in other jobs. Build upon what's here before bringing in outside folks. We are a Community with Pride!	6/19/2014 7:22 PM
290	Get some more place for kids to have fun and put more police on the street	6/19/2014 7:22 PM
291	Find those things our kids and adults are doing, support them and focus on positives of PK	6/19/2014 7:17 PM
292	As a small business owner, rent for business spaces should be affordable and CLEAN.	6/19/2014 7:06 PM
293	Rebuilding low income housing, more community gatherings	6/19/2014 7:02 PM
294	Seems we have tried to bring new businesses in town and that has failed so let's help the businesses we have somehow- find a way to clean up and make our town look nice plantings- repair abandoned buildings parking lots make people mow yards- try to bring some activities for everyone to do kids especially- I leave town every weekend to find something to do-	6/19/2014 6:58 PM
295	Actual enforcement of current laws to send a message to people that make and distribute drugs around schools and other parts of town that it will not be tolerated.	6/19/2014 6:56 PM
296	Quit putting negative stuff in paper. But that probably wouldn't work too well either because of social media	6/19/2014 6:56 PM
297	Beats the hell out of me.	6/19/2014 6:56 PM
298	Education.	6/19/2014 6:50 PM
299	Pull down houses that are not safe to be living in. Raising property taxes when people paint their house or do basic upkeep is absurd. All that has done is keep people from painting their house!	6/19/2014 6:49 PM
300	Like I said bring in more work. Open up like a pool hall or a magic store. A nicer bar or club. Bring something in for the kids.	6/19/2014 6:36 PM

302	Bring in events for younger and teens	6/19/2014 6:36 PM
303	Middle income housing, if available maybe businesses will come	6/19/2014 6:35 PM
304	Not sure, but there has to be a way to effectively let the public know what and why decisions are made and why it's best for the overall public.	6/19/2014 6:32 PM
305	Harsher punishment for thieves and more patrol through neighborhoods not just main roads.	6/19/2014 6:30 PM
306	Maybe new leadership?	6/19/2014 6:30 PM

What do you think about Parsons?

307	Have the commission not fight in public; work it out somewhere other than the public meetings	6/19/2014 6:26 PM
308	The city needs to stop cutting comers and clean up the city. Clean up over grown lots, actually replace street lights in residential areas. There are stretches along Appleton that are darker than Joplin was after their tomado. I know this requires funding. As does additional law enforcement but this is also vitally needed in the community. Not just officers on the street but resource officers, such as Officer Springer, to reach out to young people. They need role models, support & encouragement if they are going to lead their community foreword.	6/19/2014 6:20 PM
309	Get rid of poor housing.g	6/19/2014 6:18 PM
310	New leadership. No passing of the reigns, new face to town!	6/19/2014 6:14 PM

312	create jobs, give kids something to do, and crack down on the drugs	6/19/2014 6:03 PM
313	Make the owners of the houses be responsible. Enforce the laws and codes.	6/19/2014 5:59 PM
314	The police force is all young now. I've heard some of them say that this is their town. It's OUR town. They actually harass some people here. Not me though. They need to remember to "serve" our community.	6/19/2014 5:53 PM
315	Offer incentives for refurbishing the vacant buildings and homes. At the same time offer help to low income families to keep their homes looking nice.	6/19/2014 5:53 PM
316	None	6/19/2014 5:51 PM
317	People attending a good quality local church. Getting involved and being committed to that church & to God!	6/19/2014 5:44 PM
318	Need to help the working middle class they are the ones who work in town and spend money. Incentives to keep that money in town.	6/19/2014 5:43 PM
319	An evaluation of what crimes our police force is preventing, and if need be a re-focus on police work that prevents real crime.	6/19/2014 5:40 PM
320	Clean it up try and get another restaurant in here to promote job growth. Not sure how that works.	6/19/2014 5:39 PM
321	Have more for families to do. Lock up thieves instead of releasing them with a little probation.	6/19/2014 5:33 PM
322	Televized commission meetings.	6/19/2014 5:30 PM
323	enlightened voters	6/19/2014 5:28 PM
324	I have no idea. Wish I did but I don't.	6/19/2014 5:26 PM
325	get rid of the same ole godfather wanna bes	6/19/2014 5:25 PM
326	Really need new city manager. I like Fred as a person, but not as a city manager.	6/19/2014 5:19 PM
327	Have no idea.....afraid it's too far gone. Bypass didn't help by keeping out of town traffic out and no place to shop and very limited places to eat have not helped, but aren't supported by community either.	6/19/2014 5:14 PM
328	My answers to the first two are mentioned earlier in the survey. As far as crime goes, Programs like YCC and Labette Mental Health's "Navigators" are doing there best to help today's young people make the right choices, but they are few among many. I think our entire community has to 1. Realize that it is up to all of us to raise up the next generation. and 2. Band together to do something about it. These kids who make bad choices will one day learn the hard way what living this way gets them, but if we can find a way to leverage our influence on them, then maybe they won't make the bad choices to begin with. I wholeheartedly believe that the answer to our positive influence problem is showing care and compassion. Rules-relationship=rebellion	6/19/2014 5:11 PM
329	Get rid of the Current City Gov and replace most of the Police Dept and rude city workers.	6/19/2014 5:09 PM
330	Crappy attitudes are hard to change. Some people will never be happy	6/19/2014 5:03 PM
331	As city employees (city office, trash collectors, police, water dept, building inspector) be polite and nice to the residents and always go that extra mile!	6/19/2014 4:59 PM
332	Awareness champaign of the good in Parsons and the many opportunities that exist.	6/19/2014 4:58 PM
333	Fix roads, sewers, drug use, something for kids to do, fix up the housing that is falling apart	6/19/2014 4:57 PM

What do you think about Parsons?

334	See #6.	6/19/2014 4:57 PM
335	More activities.	6/19/2014 4:57 PM
336	Stop letting it be a haven for low income, welfare receiptes.	6/19/2014 4:55 PM
337	Look at other town models who have revamped their communities. Lower property taxes so citizens can build or buy. Give incentive to make your community proud of living there.	6/19/2014 4:54 PM
338	People wont change thier attitudes its ingrained any idea you offer will be po po by some sector. Its the old Who stole my cheese. They guard it ferociously	6/19/2014 4:47 PM
339	Our city leaders need to stop making excuses for minimal progress and find ways to make big changes! Some people don't mind paying higher taxes if that means improvement in quality of life.	6/19/2014 4:40 PM
340	Could we have a contest on best landscaping? Best housing makeover? Can we get grants to re-do houses? Could the city donate a nicer train? Put money into taking care of the town. We pay way more money then any other county in kansas on property taxes, however properties are not maintained.	6/19/2014 4:39 PM
341	Replace the corrupt chief and assistant chief	6/19/2014 4:39 PM
342	Parsons needs to get back on that horse and ride so-to-speak. There is not enough going on here to satisfy it's future. Meaning the youth. I feel that if you want to keep the children, and young adults on a positive mission, there needs to be more available to them to keep them positively challenged, intrigued, and educated. Most importantly, to have fun outlets for them. If you want to decrease crime, drug abuse, etc. it is going to have to start with the communities future. The children that are fortunate to come from "good" homes never stay here, and hardly ever come back. This is one of the reasons that parsons is fast becoming a retirement village that mostly caters to the elderly, and mentally challenged.	6/19/2014 4:38 PM
343	??	6/19/2014 4:36 PM
344	Change Parsons!	6/19/2014 4:34 PM
345	Not sure. Whole community has to be willing to work towards bettering the town instead of just complaining about it. We all need to come together as a team and take whatever action necessary.	6/19/2014 4:31 PM
346	Crack down on the drug users. Have stricter curb appeal codes. Have things for people to do to fill up their idle time. Create volunteer services.	6/19/2014 4:26 PM
347	do more for the kids	6/19/2014 4:26 PM
348	Maybe using social networks, television, newspaper, etc. to promote the positive side.	6/19/2014 4:23 PM
349	Bring in more job opportunities so people don't have to live in poverty.	6/19/2014 4:15 PM
350	Care about making our town great . people that want new business look for business but keep small town life style..	6/19/2014 4:09 PM
351	More community awareness of what's in the works and a goal for parsons future	6/19/2014 4:08 PM
352	Nothing can be done	6/19/2014 4:08 PM
353	Not much you can do about the few radical, negative people we have that paint a bad perception. We have overwhelmingly passed the 1/2 cent sales tax to make improvements to the city. I would like to see us continue or expand this to continue to make improvements. Maybe hire a grant writer to get money for some upgrades. Somehow surrounding towns find money to put in pools, somehow we don't know how to find the money.	6/19/2014 4:07 PM
354	There needs to be a shift in attitude in the community. Those who choose to live here and stay here need to be able to explain why.	6/19/2014 4:06 PM
355	Help those that can not fix houses. Tear down ones that are not fit to live in.	6/19/2014 4:02 PM
356	Bring in businesses	6/19/2014 4:01 PM

1	I'll share this: I love my hometown and I want to see the state of our community improve. Though I don't see myself ever moving back to Parsons, I hope that you all will take our wonderful town in the direction that it needs to go. I would love to be a part of focus groups and think tanks whenever I can. Feel free to reach out to me at tmj1992@ksu.edu or ksutylor@gmail.com.	6/30/2014 10:26 PM
2	My friend is from parsons. Getting him to and from the nearest airport was a nightmare. With a strong arts and crafts community could draw visitors if there were an easier way to get there from planes, trains, or busses.	6/30/2014 5:13 PM
3	Reward good behavior	6/30/2014 4:28 PM
4	I would like to see the original plans of the walking trail finished to completion where it reached down 10 th street behind the truckyard plaza all the way around to the 32nd street by Pete's.	6/30/2014 4:06 PM
5	Thank you for asking for my input	6/30/2014 3:40 PM
6	We need more family oriented functions	6/30/2014 3:26 PM
7	We also need to somehow crack down on the meth labs and thefts. Our police force seems to be afraid of the criminals. Not sure of the solution to that. But maybe less slaps on the wrists and more serious punishments for the criminals. Maybe better training and/or screening of police officer applicants. They only seem to like to hand out DUIs. The easy stuff.	6/30/2014 3:20 PM
8	No !!!	6/30/2014 2:39 PM
9	Yes. I think that parsons police officers are lazy and they always get the wrong people. Stop chasing the weed dealers and start getting the pill poppers and meth addicts. Maybe start bringing more technology into the town as well. Also all these people dying from drunk driving....it could be prevented if the parsons PD actually patrolled the streets and the back roads more.	6/30/2014 2:31 PM
10	KATY DAYS IS A REALLY GREAT EVENT KARI WEST AND JIM ZALESKI CONTINUE TO PUT OUT EFFORT TO MAKE THE COMMUNITY BETTER	6/30/2014 2:02 PM
11	Kids are our future. Don't cheat them.	6/30/2014 2:01 PM
12	I feel the city manager knows what the problem are and knows what needs to be done. Just can't get past the commissioners stupidity	6/30/2014 1:42 PM
13	Operation Bright touch was great	6/30/2014 12:43 PM
14	If you really want to be here, stay. If you really want to leave, go.	6/30/2014 12:36 PM
15	New rec center and boys and girls club would also be good additions.	6/30/2014 11:10 AM
16	Figure out how to budget the City's money better. That would help.	6/30/2014 10:48 AM
17	AS SOON AS I RETIRE I PLAN TO MOVE. THIS COMMUNITY IS RAN BY A FEW PEOPLE AND ALWAYS HAS BEEN. THEY WANT TO KEEP GOOD JOBS OUT. THE TOWN HAS BECOME A DUMP. WE TRY TO KEEP OUR HOME NICE AND MAKE IMPROVEMENTS AND OUR TAXES ARE CONSTANTLY RAISED BUT WHAT ARE THOSE TAXES USED FOR? NO ONE CAN ANSWER THAT. OUR STREETS ARE AWFUL AND OUR STADIUM AND SCHOOLS NEED IMPROVEMENT. I DON'T KNOW WHY ANYONE WOULD MOVE HERE. SUCH A SHAME .	6/30/2014 10:47 AM
18	We need to find a way to offer more things for kids. Improved pool, skating rink, boys and girls club are things that can be done, that other communities have. We also need to tear down old, unrepairable homes throughout Parsons.	6/30/2014 10:43 AM
19	We need to clean up. Houses that are abandoned need tom down, drug users and sellers need stiffer penalties and roads need improved.	6/30/2014 10:42 AM
20	I wish those who make decisions the best of luck	6/29/2014 10:25 PM

What do you think about Parsons?

21	People, be nice to fast food and minimum wage employees. Don't take us for granted.	6/29/2014 5:05 PM
22	Something needs to be done about the police chief and his acting "assistant chief" girlfriend. There are many young officers that work for the city that will never reach their potential with the crooked leadership that they have.	6/29/2014 2:16 PM
23	this town used to be a great place to live...now I am looking elsewhere...how sad...I have lived here all my life and used to recommend it to others...now I tell everyone get out if you can....and others don't move here.	6/29/2014 1:47 PM
24	No	6/29/2014 1:00 PM
25	Its a great community to retire in. Now we need to make it a great community to stay in!	6/29/2014 12:48 PM
26	I love Parsons! It is my hometown and it is where I have raised my kids. I have a vested interest in Parsons and its future. I work with its future! I have also seen how our town has changed over the last 20-30 years and it saddens me that so many people have left and jobs have left our town. We need a "Rebuild Parsons"! I would be more than willing to help or do whatever I can to get that pride back in our town!!	6/29/2014 12:39 PM
27	Parsons is my hometown and I grew up here. I see too much waste of tax money and not enough opportunity to grow to make it more open to change to invest in our youth so they won't take their talents with them out of town. Fairness for everyone not just the richer people.	6/29/2014 11:58 AM
28	Police force needs to follow the laws. Money needs to be spent more wisely..not on dog parks and walk trails around town	6/29/2014 11:44 AM
29	Where is all our high tax dollars going? I don't believe our money is being spent on things we need and don't need.	6/29/2014 11:42 AM
30	It's all a vicious cycle and just about everything I've mentioned is involved in that cycle, but I believe the worst problem Parsons has that contributes to this cycle is poverty whether it's due to unforeseen or planned circumstances. Hopefully the damage is not so severe that it can be fixed, but I don't know, because Parsons has had a negative reputation for many years. Also, I believe our mental health center needs more support financially, and it also needs to be moved to a more private location. People don't want to take their kids to an area in downtown Parsons and have the stigma put on their kids or themselves when someone drives by and sees them or their vehicle there. This is the number one reason why people don't go there for help or go out of town. I think the Chamber of Commerce does a great job, but does not have enough help, so they also need more support from the city.	6/29/2014 11:20 AM
31	None...	6/28/2014 9:25 PM
32	City management seems to assume that any request is going to be antagonistic. Sometimes we just want information, but it is very difficult to obtain it. We're not all out to prove you wrong. Perhaps you should give us the benefit of the doubt and not be so defensive.	6/28/2014 9:00 PM
33	Some days I really like living here, and some days I hate it. As much as I'd like to leave, there are a few people and projects that keep me here, for now. If I had family nearby, it would be easier to completely relax and plan to spend my life here, but that's not how I feel. Thanks for letting me vent.	6/27/2014 10:42 PM
34	PRC provides great activities for children of all age groups	6/27/2014 5:50 PM
35	Would love a street light at Main & Kay Lane.	6/27/2014 1:15 PM
36	This is what is needed for feedback. Try to reach the minorities. How was this survey generated & disseminated to start.	6/27/2014 4:51 AM
37	Try organizing sections of city with neighborhood watches and sectional neighborhood beatification through its residents.	6/26/2014 11:14 PM
38	Lets keep working together with a positive attitude.	6/26/2014 10:22 PM
39	Survey was forwarded to us in an E-mail grouping. We lived there for over 30 years, but do not live there any longer. A daughter is now also leaving.	6/26/2014 8:27 PM
40	We have a great school system. It'd be nice to recycle (pickup). Streets are deplorable.	6/26/2014 7:13 PM
41	I would love to see all the dilapidated structures in Parsons razed.	6/26/2014 5:08 PM
42	I think our city leadership does an outstanding job	6/26/2014 3:42 PM

What do you think about Parsons?

43	Fine of \$1000 for building a fence on your own property is stupid. City has too many codes that are enforced SOMETIMES.	6/26/2014 2:42 PM
44	There's a lot of positive people wanting to help with improvement but the city gov't is the biggest hurdle.	6/26/2014 2:36 PM
45	Too many people would rather sit around and complain than try to make things better and that is a hard problem to overcome	6/26/2014 1:52 PM
46	great celebration days, lots of old houses that need torn down I would like to see more cleanup days to one in the spring and one in the fall. no beer sold on Sunday I like my town and plan on retiring here and attending more things at the Senior Center	6/26/2014 12:02 PM
47	Only lived here 2 years, as a new person coming to town, not knowing the lay of the land, could use moe signage to find things - Forest park this way, walmart that way , city building here. Things really aren't marked well, have to ask about everything to find it.	6/26/2014 11:41 AM
48	some kind of public transportation on weekend nights would help our youth (21-30) be able to socialize safely. A safe ride program strange idea but what if our police department gave rides at night? "protect and serve"	6/26/2014 11:15 AM
49	Once the "elders" of this community aren't able to continue the work they have done to keep Parsons alive... well there's not many people to pass the torch to. People are quick to point out the problems but when it comes time for solutions they tend to get real quiet.	6/26/2014 10:53 AM
50	Transparency needs a big boost in Parsons. Discussion happens behind closed doors that affect the community. Money is wasted for the few not for the good of the community.	6/26/2014 10:46 AM
51	Tell the city guys, when they drive around town, look like they have some place to go. 15 mph looks like they are killing time. They are using my tax dollar to loaf. I would get fired for wasting time. They should too.	6/26/2014 10:43 AM
52	none	6/26/2014 10:33 AM
53	Not right now...	6/26/2014 10:08 AM
54	Wish the taxes where lower on personal & real estate taxes.	6/26/2014 9:45 AM
55	Crime.....Parsons PD has to step up and clean up the town. Have them stay out of bars so people will respect them when they do show up at a crime!!	6/26/2014 8:49 AM
56	There can be more available in Parsons with some shifts in attitude by local businesses and by the community. Communication is very poor in Parsons regarding community events and services. Putting an event in the paper 2 days before it happens or after it's happened is not an effective way of communicating so it is well-attended. Many local services are essentially not promoted/communicated about at all. It is morbidly humorous that our local paper carries obits for around a month but put notice of an event in the paper once, sometimes the day before the event.	6/26/2014 8:29 AM
57	I was not raised here. I am originally from Oswego. I love Parsons. I love its people. I was glad to see this survey. It proves that as a community we only want to make us better. Thank you for doing this.	6/26/2014 8:04 AM
58	I am a Christian and I believe what the Bible says. Return to God and He will bless the land.	6/26/2014 8:03 AM
59	Many things to do	6/26/2014 7:56 AM
60	Where did all the million dollars go to that Parsons sold out the Katy Railroad for? Tell me. Tell us.	6/26/2014 7:50 AM
61	Stop letting a certain few uppidity wealthy ppl decide what businesses come to town. All the surrounding towns are growing except Parsons. Its no wonder we take our business out of town. That's not gonna change until some name brand and popular businesses come here.	6/26/2014 6:40 AM
62	Poor people have many friends while rich people have very few. Get the poor involved for they have the influence to change perception.	6/26/2014 6:32 AM
63	Increase pay wages, spend money on things our city needs and not on things we don't.	6/26/2014 5:26 AM
64	I love Katy days my family counts down from the time it ends til it beings again and love singing in the park great job!	6/26/2014 3:02 AM
65	More art programs. Anything from music, theater and arts, to interpretation of dance.	6/26/2014 12:15 AM

What do you think about Parsons?

66	I have watched Pittsburg thrive in the past 5 years. Yes, they have PSU, however, the improvements made to LCC should have made some sort of impact on Parsons. Those improvements have not. Parsons reminds me of Chanute; the community has NCCC and that it. The rest of the town is trash. That is how a lot people look at Parsons. Food for thought.	6/25/2014 11:09 PM
67	Great community. We definitely need to encourage new industry to locate here. Love living in Parsons.	6/25/2014 11:03 PM
68	Would really like to see a good rec center and aquatic center built	6/25/2014 9:38 PM
69	I like our town, but so much could be improved by the people who run the city, decisions that are being made, actions and how people are treated. The town has so many empty buildings, not enough retail shopping or places to eat. Cops should treat ALL people fairly, no matter who they are. I realize everyone cannot get what they want, but all thoughts and ideas should be considered. Too many kids are leaving #503 to go to Altamont!! There is a way to make improvements without going overboard.	6/25/2014 9:35 PM
70	It would be a great place without all of the shit. If we were to clean up all of that stuff it would be a great community to live in. Right now it's turning into a cesspool	6/25/2014 8:59 PM
71	no	6/25/2014 8:29 PM
72	I love Parsons! I'm always trying to find a way to get my family back there but because of the nature of the job market in smaller communities it makes it difficult. I still love and support Parsons and 503 as much as I can including buying Christmas gifts there instead of KC where we live. I truly want a great future for it! I will say again, Parsons schools are underrated in that community and I hope people wake up and realize how good of a thing they have going for them.	6/25/2014 8:08 PM
73	Being open to new ideas.	6/25/2014 8:03 PM
74	The way this world is changing, Parsons is doing it's best to be a great place to live.	6/25/2014 7:58 PM
75	I grew up in parsons as a kid. It seems like after all of the major business left that the town really went down hill.	6/25/2014 7:57 PM
76	Parsons has potential. Bring in a place to eat that is not Mexican or Chinese	6/25/2014 7:52 PM
77	I won't ever be returning after getting a college degree. Fund education a little better. Give kids hope. Make them feel welcome. The good ones will never return to the nest if it's full of negative attitudes and trash.	6/25/2014 7:04 PM
78	I have never lived in such a cesspool, horrible place to raise children, and they lie to the stitisc's office about crime	6/25/2014 7:02 PM
79	A great place to raise a family	6/25/2014 6:53 PM
80	I have lived in this area for most of my life and the City of Parsons is at the very bottom and it has been there for several years now. I am not sure if it will ever get any better.	6/25/2014 6:49 PM
81	Crime and drug use are usually a result of unemployed, bored and unhappy people. People who are not recognized for their efforts, contributions and achievements are unhappy people.	6/25/2014 6:43 PM
82	Love to see more blue/gold downtown.	6/25/2014 6:28 PM
83	Enough said...	6/25/2014 6:27 PM
84	This is a great city it just needs changes so it wont die !! Jobs and shopping!	6/25/2014 6:27 PM
85	city, county & state workers very customer friendly. The work hard and make efficient use of limited resources.	6/25/2014 6:09 PM
86	As you can see I am a person of many words and not much action. There is a move on now among churches to try to do community things among children, and maybe others. I will suggest that perhaps we should try to include the city and keep them informed about our activities. Not asking for money, but maybe a word of encouragement	6/25/2014 5:53 PM
87	our streets are awful. street signs need to be made larger. we really need to clean our city up and show people that we care.	6/25/2014 5:51 PM
88	Get some body in this city that cares bout it	6/25/2014 5:49 PM
89	too much partiality. lack of support for the smaller businesses, which is why so many of them have closed....	6/25/2014 5:49 PM

What do you think about Parsons?

90	For many years there has been a division within the community--city vs. rural. We all live and work in this area and need to recognize what we have in common rather than what divides us.	6/25/2014 5:34 PM
91	Quit spending money on hiring independent people to come and try to get business to come to Parsons. Just really how has that worked out.	6/25/2014 5:32 PM
92	Crooked cops crooked people running this town keeping poor people poor rich get richer	6/25/2014 5:31 PM
93	Need to have a better system of notifying the community of all activities. We seem to also find out after an event has taken place. On a funny note correct the volume on the local access programming channel.	6/25/2014 5:30 PM
94	No	6/25/2014 5:20 PM
95	I was born and raised in labette county, I worked in parsons for 10 years. I now work and live in Pittsburg. I can find NO reason to return to parsons.	6/25/2014 5:19 PM
96	We have a lot to work with, a lot going for us & this survey says to me that you are pursuing what it will take to keep this position and move everything forward! Good for you! !	6/25/2014 5:17 PM
97	We are blessed with many generous rich people in Parsons. They have built businesses here and pay back to the community. The doctors could follow this example.	6/25/2014 5:16 PM
98	good to see some younger professionals and close professionals making moves to be in and work for the betterment of the city	6/25/2014 5:07 PM
99	Wake up Parsons Let's do something about this.	6/25/2014 4:58 PM
100	Would like more things to do for the youth.	6/25/2014 4:53 PM
101	Growing up people took more responsibility for the community and were more involved. I also would add a bicycle trail thru town on the old railroad tracks.	6/25/2014 4:51 PM
102	At some point, Parsons seems to have lost its sense of pride.	6/25/2014 4:44 PM
103	No	6/25/2014 4:42 PM
104	I hope whoever wants this survey done is taking part in listening to the people and what they are saying if not this is a waste of time	6/25/2014 4:38 PM
105	Get rid of the AWFUL parking downtown. That was just a horrible idea and well thought out. We need to have events that are cheaper for our community. Not everyone can afford the ridiculous prices like at Katy Days. This isn't the Tulsa fair, I mean come on... Our city members DON'T CARE about us and THAT NEEDS TO CHANGE!!!!	6/25/2014 4:28 PM
106	We need more extracurricular opportunities in town so people don't continue to take their money elsewhere. Also, local business owners need a lesson on etiquette and manners and quit treating their customers as if they are bothersome instead of an asset.	6/25/2014 4:24 PM
107	Taxes are too high	6/25/2014 4:20 PM
108	Utilize Municipal building more for concerts, comic acts, etc. Years past there were several concerts each year.	6/25/2014 4:13 PM
109	9. We may only have a few hundred people in this community of approximately 12,000 who are making a difference. The rest are just setting on the sidelines waiting for the fumble so they can say I told you so in place up getting behind the team.	6/25/2014 4:10 PM
110	I love Parsons. I've lived here my entire life other than college and have raised a family here. My wife and I have one child at Parsons High School, one at Labette Community College and one that graduated Labette's nursing program. Parsons is a good place to live despite its downfalls.	6/25/2014 4:09 PM
111	I wish that I liked it here better than I do. However, I feel that I could easily leave to never return with no remorse.	6/25/2014 4:07 PM
112	very small....no real local shopping	6/25/2014 4:06 PM
113	My comments reflect negatively on what is allowed in Parsons. In our company, we would not even consider allowing what the City of Parsons allows. Relative to positive comments, Parsons is a great place to live and raise a family. Also, it is a great place to retire. Parsons has the small community appeal, but I am concerned that the City is at a cross-roads. Parsons needs to be proactive in addressing the areas that I have outlined. In other circles, these are the topics that are widely discussed.	6/25/2014 4:03 PM

What do you think about Parsons?

114	I think that one of the biggest disincentives of Parsons for families is the low rating the public school system.	6/25/2014 4:01 PM
115	I love parsons but there is so many things I do not like about parsons! As much as we pay in taxes.....there should be so much more here & community should be way better!!!!	6/25/2014 3:56 PM
116	The schools are wonderful, but they are constantly fighting the poverty in the town so the upper class take their children out of district.	6/25/2014 3:55 PM
117	I moved back to raise my daughter in a small town, only to realize there is no future opportunity for her here other than nursing. So when she is school age we will relocate to a city	6/25/2014 3:53 PM
118	No	6/25/2014 3:53 PM
119	Need to plan more community events and incorporate new ideas to existing events.	6/25/2014 3:47 PM
120	Let in some competition for our businesses and bring in new business.	6/25/2014 3:42 PM
121	Something should be done about the nasty houses around here. The town is made up of 90 percent falling down houses.	6/25/2014 3:38 PM
122	Our best days can still be ahead but not unless we work to overcome the eroding tax base. That is caused by all the things I've mentioned and more. It won't be easy but it's worthwhile. Parsons is home and it will be to lots of people for a long time to come.	6/25/2014 3:36 PM
123	We are lucky there have not been any lawsuits for ossa violations harassment discrimination etc	6/25/2014 3:33 PM
124	no	6/25/2014 3:09 PM
125	Having lived in Parsons my entire life, I'd like to see Parsons return to somewhere close to what it used to be. Most people have positive memories of Parsons, but it isn't what it used to be. Need more people who care.	6/25/2014 11:31 AM
126	I have the privilege of working in other communities in other States of the approximate size of Parsons. The issues that we are challenged with are prevalent in all communities. If you want to make your community a better place to live, GET INVOLVED!	6/25/2014 10:31 AM
127	a good place to start is the convenience store clerks as they meet a lot of people, especially potential newcomers	6/24/2014 5:21 PM
128	We have a lot to offer in PK - we just don't present ourselves very well	6/24/2014 3:35 PM
129	Parson needs something. To keep and draw young couples....and keep them active with all activities	6/24/2014 3:29 PM
130	PARSONS IS A GREAT COMMUNITY WITH A LOT OF POTENTIAL. WHEN I LIVED THERE I ENJOYED MY EXPERIENCES. THE COMMUNITY COLLEGE PROVIDED A FAR BETTER EDUCATION THAN THE PARSONS SCHOOL DISTRICT, BUT THAT WAS 20+ YEARS AGO. JUST PLEASE IMPROVE THE LIBRARY. WHEN I WORKED THERE IT WAS THE GEM OF THE COMMUNITY AND NOW IT FEELS TRAGIC WHEN I VISIT.	6/23/2014 8:19 PM
131	of the people i know none has much good to say about parsons	6/22/2014 4:01 PM
132	Never enjoyed living there the school district is great though	6/21/2014 11:06 PM
133	Grew up there and loved it. I am sad when I visit the shell of a town as what it used to be	6/21/2014 1:07 PM
134	Attitudes come from the top down...we need progressive, plays-well-with-others, resourceful, outside-the-box-thinking leaders in many more of our leadership positions. We have a few, but not nearly enough.	6/21/2014 8:26 AM
135	The attempts to bring in new businesses don't seem to be very successful.	6/21/2014 1:02 AM
136	Change can be good, need someone that realizes this. The city fathers for the past 30 years have let opportunities pass Parsons by! Get someone that can do the job Get some pride and ambition in the community. When I pass thru Parsons, I think of a ghost town.	6/20/2014 11:22 PM
137	Who ever is in charge of bring new busniess to town needs to be fired. They suck at their job.	6/20/2014 6:51 PM
138	Replace city management	6/20/2014 5:40 PM
139	The number one thing that I have heard people complain about the most are the high taxes. The second thing is the condition of the roads.	6/20/2014 5:37 PM

What do you think about Parsons?

140	The work on the roads is very poor. Covering the holes with gravel is not going to fix anything! The amount of crime and drugs in this community is unreal.	6/20/2014 5:21 PM
141	Let us quit languishing in this pit of "that's how we have always done it" We need CHANGE! We need people to look toward the FUTURE!	6/20/2014 4:54 PM
142	Parsons has some positives, but sometimes the negatives are too much. Kids move away and don't come back. Time is slipping away to save this little town.	6/20/2014 4:03 PM
143	We are at a critical stage within our community ! We can easily go either direction. Good leadership and volunteerism will be what leads us down the right path.	6/20/2014 3:36 PM
144	I like Parsons	6/20/2014 1:36 PM
145	It's ridiculous we can't buy alcohol on Sundays just because it's the Lord's Day. Not everyone is Christian. There should be separation of church and state. I personally know a few people who drive drunk to Erie on Sunday. This is not safe. We shouldn't risk people's lives just to satisfy the outspoken few of the city who think people won't drink on Sunday just because you can't legally buy it here. People sell beer on Sunday anyway, just not legally and at a huge markup.	6/20/2014 12:47 PM
146	I believe Parsons is on the cusp of being a greater community, it just needs a push to get there.	6/20/2014 12:06 PM
147	I believe that any positive changes in perception will need to take place by changing the realities that need changes. We need to work together and be honest about what areas need to change.	6/20/2014 11:51 AM
148	Parsons was once the jewel of SE Kansas. That jewel has been tarnished and needs to be brought back to its former beauty.	6/20/2014 11:30 AM
149	Parsons is a town that has alot of positives. A major problem though is as long as the housing infrastructure is bad, new middle class people will not WANT to move here, and the tilt will be toward entitlement programs.	6/20/2014 9:41 AM
150	Parsons has lots of potential to become a VERY desirable place to locate, live & raise a family. But it will require some hard work, tough decisions, acceptance of change (new approaches) and lots of positive people.	6/20/2014 8:42 AM
151	Pull your head out long enough to take a breath.	6/20/2014 8:39 AM
152	Don't get me started	6/20/2014 6:49 AM
153	Focus on things for the younger adults and children instead of the senior citizens.	6/20/2014 6:48 AM
154	Since you asked, please fix the street light situation around town. People are worried about how dark their streets are at night and how unsafe it is to walk in your neighborhood. I was driving across Appleton the other night and came real close to hitting someone walking, because, in order to see through that stretch of road between 25th and the railroad, you have to use your brights to illuminate the road in order to see both sides of the road. There are even a lot of the new lights in the renovated downtown area that are out. I turned in eleven street lights to the electric company in May that I found burnt out while walking my dog. Pay someone to walk the streets at night to locate problem areas and report all the burnt out lights. That would be one of those EASY fixes to change your perception.	6/20/2014 5:17 AM
155	Love this place.	6/20/2014 5:10 AM
156	A lot of children and younger people live in parsons so give us more to do!!	6/20/2014 4:01 AM
157	People really need to realize that just because people of different races move into Parsons, DOES NOT mean that they bring with them a drug or gang problem. More drug related crimes occur in Parsons by caucasian people (meth addicts) than those who are not white.	6/20/2014 12:54 AM
158	There are a million ways to make Parsons better. It is sad as it costs as much to live here as it does to live on the east coast and its mostly due to the amount of handouts that are being allowed. We don't need any more low income anything. We need things here for people that go to work and pay their own way.	6/19/2014 11:44 PM
159	The city council members are a bit 'stuck' in their way of seeing certain things. It might be helpful for them to hold more town hall-type meetings to really listen to what their constituents are interested in.	6/19/2014 11:25 PM
160	Why doesn't the business's downtown help or pay to keep up their property and lots like the rest of non downtown??	6/19/2014 10:01 PM

What do you think about Parsons?

161	Do something. Fix something.	6/19/2014 9:47 PM
162	This is a poor community. There is a separation of the people that are somewhat well off and some who have next to nothing. It would be nice to see more job opportunities so that could change	6/19/2014 9:39 PM
163	We need a forensic audit and a grand jury for city hall.	6/19/2014 9:27 PM
164	Healthier choices	6/19/2014 9:22 PM
165	We need City Commissioners, Managers and Employees that are not afraid to make reasonable decisions to further the future of the community and quit sending tax dollars to other cities and areas that could stay in this community.	6/19/2014 9:10 PM
166	Fix the stadium give the kids something to be proud of.	6/19/2014 9:04 PM
167	Parsons is shrinking and city gov. and services need to reflect that reality. I love Parsons and pray for our future.	6/19/2014 9:03 PM
168	I shop in parsons at least 2-3 times a week, and it is my favorite local community	6/19/2014 9:02 PM
169	Parsons is a nice community but in order to keep younger people interested in living here, they need to know that there are opportunities for them.	6/19/2014 8:24 PM
170	I love Parsons it's my hometown where I was born and raised. I would love to move back but I'm worried there is no career opportunities and I don't want my children to get bored and get into mischief. From what I've been reading we also have a fairly large crime problem that needs reigning in.	6/19/2014 8:23 PM
171	none that are polite	6/19/2014 8:17 PM
172	Parsons started dwindling after MKT left...	6/19/2014 8:00 PM
173	The city of Parsons needs to find a way to attract young families and then to keep those families interested in staying. Affordable housing needs to be available, modern recreation facilities such as ball fields with clean restrooms should be available, and pride should be promoted in our community.	6/19/2014 7:58 PM
174	economy is depressing and too many unkept and run down homes, rental properties	6/19/2014 7:36 PM
175	Fix the dang roads! Support our kids, better news reporting/paper!	6/19/2014 7:18 PM
176	Please remove the slum rental housing and the old dilapidated homes that are boarded up and falling down...especially on the main thoroughfares. It's very unattractive to visitors to our community.	6/19/2014 7:07 PM
177	I have lived here all my life the down town had stores numerous different stores- then we ruined with with the plaza - businesses closed our taxes are outrageous- people have a very emphatic attitude due to working low paying jobs- barely paying bills and few pay raises- there is such a red neck attitude here from kids to adults- sit in a doctors office or walk through walmart people don't try to dress nice - they scream at kids- they talk on phones throughout the time they are out - drive beat up cars- go to a city and people take care of thier cars dress nice and act appriately. Different mindset[6/19/2014 7:01 PM
178	We need to lower taxes and entice more business and industries to parsons to stimulate the local economy.	6/19/2014 6:58 PM
179	Bring new business and corporations in. No one can live off of minimum wage	6/19/2014 6:57 PM
180	I wish as a community we had more pride in each other. I tell people what a wonderful place I live, great schools and a nice small town, but I would be appalled if they drove down to my house on the streets where we live, because too many houses are NOT taken care of. Every neighborhood is apt to have a few. but we have more crap then well kept homes in the older neighborhoods.	6/19/2014 6:51 PM
181	Clean up the entrances to the city, keep it mowed and the roads good. It's the first impression that may keep them here	6/19/2014 6:37 PM
182	This community needs more business. This town once had all this. Just because the bypass came through doesnt mean our town has to die. Like they said on "Field of dreams" "If you build it "T"HE"Y" will come!"	6/19/2014 6:36 PM

What do you think about Parsons?

183	We have decided to move out of Parsons and back to Oswego because we can't afford to keep replacing parts on our cars from hitting potholes or huge bumps. Also because we don't want ourselves and our children to not feel safe in our own home. The police did not patrol where we lived except for one drive through a night.	6/19/2014 6:34 PM
184	Was once a great town, but ruined it with Urban Renewal Project and the railroad left and Army Ammunitions Plant declined	6/19/2014 6:34 PM
185	I was born and raised in Parsons. I attended 506 schools and graduated from LCHS. I have many fond memories of community events like rodeos, parades & the 4th of July. But when it came time to get married and start my life I knew there would not be many opportunities for my family if I stayed there. I had watched the steady decline of my town over the years as large industries left and small businesses failed. While working in Emergency Services I had my naive eyes opened to what really goes on in that town. Crime and drugs are even worse now. I have seen the 3rd generation of people stuck in the cycle of poverty/unemployment/crime. It breaks my heart to see how run down the entire town had become. It looks like a place you drive through with your doors locked. I hope you can find some answers to help this town become what it once was.	6/19/2014 6:30 PM
186	Taxes and utilities are too high. I have to pay for my insurance so should city workers	6/19/2014 6:19 PM
187	I've just continued to watch the town go down	6/19/2014 6:14 PM
188	The city workers need to be given more than 800 dollars.	6/19/2014 5:59 PM
189	We pay high taxes. Ive been told for years that property taxes are used to repair our streets. My street hasnt been touched for 22 years.	6/19/2014 5:54 PM
190	No	6/19/2014 5:51 PM
191	When driv8ng through town there are a lot of abandoned and unoccupied buildings. The entire feel of the town can be improved by razing these buildings where possible and offering incentive to re-develop the properties.	6/19/2014 5:40 PM
192	There are a high amount of foster children and mentally disabled people in Parsons. These children and adults need to be better supervised. You have those adults causing scenes in the streets in front of visitors and small children. These adults have been known to disrobe themselves in the streets and even in the front lobby of the police department during the day. This activity reflects poorly on our community.	6/19/2014 5:37 PM
193	Coffee shops, water park, down town twinkle lighting, statues/art work downtown, Viking flags downtown, a mural on the east side of the Muni Bldg wall, etc.	6/19/2014 5:35 PM
194	Nothing for kids to do	6/19/2014 5:25 PM
195	I have always loved living in a small community, but I hate how it has run down. It does not have the appeal it once had.	6/19/2014 5:20 PM
196	I want to see a home depot	6/19/2014 5:07 PM
197	Dont get me wrong, I love living here. There is just alot of things that need to be taken care of. Like I said, housing, jobs, flooding, and something for the kids to do besides run the streets.	6/19/2014 5:02 PM
198	We need someone who knows facebook who can be a positive force instead of the negative "nellie" that is constantly bombarding us iwht "stinkin thinkin"!	6/19/2014 5:00 PM
199	Force people to now and keep their yards and homes clean and free of junk!	6/19/2014 4:56 PM
200	We lose young families, and retirees, every year because of the lack of progress being made in Parsons. It is time for big changes!	6/19/2014 4:42 PM
201	I love this city....., but I also have grown to dislike this city.	6/19/2014 4:39 PM
202	No	6/19/2014 4:39 PM
203	I have lived here all of my life except for about 3 years while I was attending college and I love it here. My husband and I have chose to raise our children here and we feel that it was a good decision to do so.	6/19/2014 4:38 PM
204	My family moved here 1.5 yrs ago. Thought we would retire here. Nope! Going back to Texas!	6/19/2014 4:35 PM
205	As a fear of repeating myself. I would like to have the idea that middle schoolers and high schoolers should take courses with volunteering at the cemeteries and maybe a habitat for humanity sort of program where they help and restore the town together as a community.	6/19/2014 4:29 PM

What do you think about Parsons?

206	i think the community is to religious to greedy to much spending on stupid things and we need more cops patrolling day and night so many people getting hurt	6/19/2014 4:27 PM
207	Our out of town family and friends say there is very little to do.	6/19/2014 4:20 PM
208	Really wish money was spent on things it needed to be spent on.	6/19/2014 4:10 PM
209	I think Parsons is doing a lot of good things. The Katy Days festival has been a great addition to Parsons. The concert series in the summer is wonderful. Downtown looks great. I hate it that for some reason we can't support new restaurants, we have fewer than surrounding towns of same size. More industry and jobs would be great, but I know that's hard to do.	6/19/2014 4:09 PM
210	I am new to Parsons & Kansas both. But so far I love it.	6/19/2014 4:09 PM
211	It's not a bad community but opportunities to expand need and should be happening. Local business is great but there aren't a lot of places to go for entertainment for younger kids or adults who want to do more than drink	6/19/2014 4:03 PM
